Dear Parents/Carers

We are now two weeks into the new school year and I am very pleased to report that our new Year 7 students have settled in well. If you or your son/daughter have any concerns please feel free to contact the appropriate form tutor or year leader.

I am also pleased to report that our recruitment programme for the sixth form has been extremely successful with over 200 students now registered since the start of term. We have organised an outward bound course at East Grinstead for the new year 12s to develop team building and more news on this will follow next week.

The opportunities for students in Years 7 - 11 to study in "after school clubs" has expanded and a list of sports clubs are shown overleaf.

WELL DONE MAYA AND MAGDALENA

On the 26th July, Magdalena and I collected money for **CAFOD**. We sold muffins, crisps, toys, drinks, books, teddy's and candles. The cheapest price was 25p and the highest price £1. We also had some pictures and posters up, about what we were doing and for whom. People were very generous paying up to £10. We sold nearly everything, although we still had some left over. We are planning to do a sale like that again on Saturday, when it is a bit warmer. We will have other new items for sale...

we managed to collect £50!

Each year group will have weekly matches with years 10 & 11 playing on Mondays, Years 8 & 9 playing on Tuesdays and year 7 playing on Wednesdays. Our year 9 & 11 teams will be out to maintain their unbeaten records from last season but this won't be easy as both teams have now been promoted to the top division.

I'd like to take this opportunity to welcome you all back after a safe and restful holiday. There will be many chaplaincy events occurring throughout the coming year, including year 7 retreats to welcome the newest additions to our college, school masses and a chance for each class to visit the local parish of Our Lady and St. George to celebrate Friday morning mass with the congregation. Detailed information on these events will follow!

I'd also like to extend a warm welcome to Joseph Perry, a former student and extremely talented musician who is joining us to help raise the profile of music in liturgy. We will be starting a Gospel Choir that will be open to students and staff, singers and instrument players! Information about this will be available soon!
