

Curriculum Information Booklet

Year 8

Holy Family Catholic School Curriculum Overview Year 8 – Art

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sept-Oct)	<u>Patterns and Portraiture- Kehinde Wiley</u> Students begin the year with an observational shoe drawing assessment. The new unit patterns and portraiture begins and students will be introduced to and analyse the work of Kehinde Wiley. Students will learn how to monoprint a portrait and look at different heritage patterns from around the world completing a watercolour painting of a pattern from their Heritage.	Kehinde Wiley- A new republic by Eugenie Tsar https://www.youtube.com/watch?v=f_MxR7bJrBQ https://www.youtube.com/watch?v=f_MxR7bJrBQ
Half Term 2 (Nov-Dec)	<u>Patterns and Portraiture continued</u> Students will learn how using a grid can simplify drawing a portrait, practice shading to create tone and drawing anatomy. They will work towards a final self portrait piece inspired by Wiley's work and will design their own pattern and learn how to transfer their portrait to make a final piece.	https://www.artistsnetwork.com/art-mediums/drawing/beginners-guide-draw-facial-features/
Half Term 3 (Jan-Feb)	<u>My Identity- Grayson Perry</u> Students will explore the theme of 'my identity' and have an introduction to Grayson Perry's work and they will practise their analytical skills by completing an Artist research page and analysis work. Students will complete an observation drawing of an object that reflects their identity in the style of Grayson Perry. They will learn how to make a pinch pot out of clay and paint it in the style of Perry. design a vase showing the story of their identity and make a paper mache vase	Watch: Grayson Perry's Art club (Channel 4) Practise paper mache at home
Half Term 4 (Feb-Mar)	<u>My Identity- Grayson Perry</u> Students will design a vase that shows the story of their identity. They will design and make a paper mache vase and paint showing an identity story. At the end of the unit students will complete a comparison between theirs and Perry's work.	
Half Term 5 (Apr-May)	<u>Surrealism- Hannah Hoch</u> Students will learn about the surrealists and the dadaists. They will learn collage techniques, create a mixed media exquisite corpse drawing and create their own dada poem.	https://www.moma.org/artists/2675 https://www.tate.org.uk/whats-on/tate-britain/aftermath
Half Term 6 (Jun-Jul)	<u>Still life- Henri Matisse</u> Students will learn about Henri Matisse and complete some Artist analysis. Students will complete some experimental still life drawing by learning different line drawing techniques. They will learn about composition and complete a still life final piece influence by Henri Matisse and his use of colour.	https://www.henrimatisse.org/ https://www.artistsnetwork.com/magazine/setting-still-life-composition/

--	--	--

Examples of Home Learning Tasks	Artist research pages, research pages, analysis, Collage activities, finishing classwork
Assessment Tasks, Methods & Frequency	Term 1- Baseline observational drawing assessment Term 2- Artist research/ Analysis, Patterns and Portraiture final self portrait outcome Term 3- Artist research/ Analysis, Observational drawing Term 4- Artist research/ Analysis, Paper Mache vase final piece Term 5 - Artist research/ Analysis, Clay and Paper mache outcomes Term 6- Artist research/ Analysis, Still life final piece
Equipment that Students Need	Pen, Pencil, Ruler, Rubber, sharpener, scissors and glue stick.

Parent / Carers can help their child by:	Attending exhibitions, having basic art equipment at home i.e. colouring pencils/ pens, making sure their child have the required materials for lessons
Useful Websites	https://www.tate.org.uk/kids https://www.tate.org.uk/ https://www.vam.ac.uk/ https://www.npg.org.uk/
Extra-Curricular Activities & Career Opportunities	Darkroom club- Thursdays after school Art intervention catch up- Wednesdays after school

Holy Family Catholic School Curriculum Overview Year 8 – Computing

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sept-Oct)	Networks: From semaphores to the Internet This unit begins by defining a network and addressing the benefits of networking, before covering how data is transmitted across networks using protocols. The types of hardware required are explained, as is wired and wireless data transmission. Learners will develop an understanding of the terms 'internet' and 'World Wide Web', and of the key services and protocols used. Practical exercises are included throughout to help strengthen understanding.	<ul style="list-style-type: none"> • Cisco Packet Tracer • https://edpuzzle.com • https://quizziz.com • https://bbc.co.uk/bitesize • https://senecalearning.com
Half Term 2 (Nov-Dec)	Computational Thinking & Flowcharts: An introduction to the 4 principles of computational thinking: Decomposition, abstraction, pattern recognition and algorithms. This prepares students to apply computational thinking skills towards the programming units after the Christmas break.	<ul style="list-style-type: none"> • Code Monkey • https://edpuzzle.com • https://quizziz.com • https://bbc.co.uk/bitesize • https://senecalearning.com
Half Term 3 (Jan-Feb)	Block Based Programming to Text-Based Programming: Following on from the Scratch programming unit in year 7, students will now use a platform called 'Edublocks', which aids students making the transition from block-based programming to text-based programming.	<ul style="list-style-type: none"> • Edublocks • https://edpuzzle.com • https://quizziz.com • https://bbc.co.uk/bitesize • https://senecalearning.com
Half Term 4 (Feb-Mar)	Intro to Python A beginners course into the Python programming language using the PRIMM framework. <ul style="list-style-type: none"> • Output and variable assignment • Input & calculations • Selection • Iteration • Lists & Sub Routines 	<ul style="list-style-type: none"> • Replit • https://edpuzzle.com • https://quizziz.com • https://bbc.co.uk/bitesize • https://senecalearning.com
Half Term 5 (Apr-May)	Cyber Security: This unit takes learners on a journey of discovery of techniques that cybercriminals use to steal data, disrupt systems, and infiltrate networks. The learners will start by considering the value their data holds and what organisations might use it for. They will then learn about social engineering and other common cybercrimes, and finally look at methods to protect against these attacks.	<ul style="list-style-type: none"> • NCSC cyber security games • https://edpuzzle.com • https://quizziz.com • https://bbc.co.uk/bitesize • https://senecalearning.com
Half Term 6 (Jun-Jul)	Mobile App Development: This unit takes learners through the entire process of creating their own mobile app, using App Lab from code.org. Building on the programming concepts learners used in previous units, they will work in pairs to perform user research, design their	App Lab

	app, write the code for it, before finally evaluating and publishing it for the world to use.	
--	---	--

Examples of Home Learning Tasks	<ul style="list-style-type: none">• https://edpuzzle.com• https://quizziz.com• https://bbc.co.uk/bitesize• https://senecalearning.com
Assessment Tasks, Methods & Frequency	Assessment tasks/activities are carried out throughout each lesson to consolidate learning outcomes via Quizziz, Google Forms or Kahoot!.
Equipment that Students Need	None needed. All provided within the department.

Parent / Carers can help their child by:	Signing up to Google Guardian and checking their Google Guardian account and reminding their child with any upcoming homework deadlines.
Useful Websites	<ul style="list-style-type: none">• https://edpuzzle.com• https://quizziz.com• https://bbc.co.uk/bitesize• https://senecalearning.com
Extra-Curricular Activities & Career Opportunities	Offering Coding club to Y8's from September 2022

Who Can I Contact?	Head of Computing & IT	Mr Wynter
	Teachers of Year 8 Computing	Mr Wynter & Mr Heskey

Holy Family Catholic School Curriculum Overview Year 8 – Drama

	Curriculum Content	Suggested Reading or Extension Activities
Autumn Term	<p>Stand Up!</p> <p>A scheme of work that explores people that have taken a stand against discrimination .</p>	<p>Research historical facts:</p> <ul style="list-style-type: none"> - Segregation and Rosa Parks - Apartheid and Nelson Mandela <p>Develop the skills of:</p> <ul style="list-style-type: none"> - Written and Verbal Analysis - Written and Verbal Evaluation - Line learning - Rehearsal - Voice - physicality - characterisation - communication - Devising <p>Research the following drama techniques:</p> <ul style="list-style-type: none"> - Split-Stage - Cross-Cutting - Mark the Moment - Hot-Seating - Improvisation <p>Read extracts from Rosa Parks biography, historical newspaper articles/sources, and the play script 'The Island'.</p>
Spring Term	<p>The Classics</p> <p>An exploration of Shakespeare, focusing on arguably his most famous play - Romeo and Juliet. Students will learn how to approach and interpret the Shakespearean text and develop and devise performance work around the themes and issues of the play explored. In addition students will explore the origins of Comedy and Tragedy using the medium of drama. This scheme also helps develop students' use of a wide range of explorative strategies.</p>	<p>Read extracts from the plays 'Romeo and Juliet' by William Shakespeare and texts from the genres of Comedy and Tragedy.</p> <p>Research on:</p> <ul style="list-style-type: none"> - the cultural, social, historical, political context of the play - Characters - plot - themes <p>Develop the skills of:</p> <ul style="list-style-type: none"> - Written and Verbal Analysis

		<ul style="list-style-type: none"> - Written and Verbal Evaluation - Line learning - Rehearsal - Voice - physicality - characterisation - communication - Devising - Scripted Performance <p>Research the origins of Comedy and Tragedy.</p> <p>Research the following drama techniques/explorative strategies:</p> <ul style="list-style-type: none"> - Split-Stage - Cross-Cutting - Improvisation - Hot-Seating - Marking the Moment <p>Read a range of text/stimuli, including the poem “Waving Not Drowning” by Stevie Smith.</p>
Summer Term	Physical Theatre and Commedia <p>An exploration of Physical Theatre and Commedia Dell’arte. This scheme helps develop students' use of a wide range of physical strategies.</p>	<p>Research the following:</p> <ul style="list-style-type: none"> - Contemporary Physical Theatre Companies (Frantic Assembly and DV8) - Commedia Dell'arte <p>Develop the skills of:</p> <ul style="list-style-type: none"> - Written and Verbal Analysis - Written and Verbal Evaluation - Line learning - Rehearsal - Voice - physicality - characterisation - communication - Devising - Scripted Performance <p>Read a range of text/stimuli, including the play text ‘Alota-Chocolata’.</p>

Examples of Home Learning Tasks	<p>KS3 Drama is predominantly focused on developing practical performance skills, therefore home learning will be largely practical in nature, focusing on: reading (Play-texts, newspaper articles, theatre reviews and other printed stimuli), line learning, monologue development/script development, watching performances online and rehearsal and refinement of script work. However, there will be some written research tasks set for homelearning, as well as written analysis/evaluation questions, to help develop Students’ written skills</p>
--	---

	and help prepare them for the written element at KS4, should they continue with the subject.
Assessment Tasks, Methods & Frequency	<p>Students will complete a performance at the end of each unit of work which will be focused on specific Drama techniques and skills. Students will also complete a written self evaluation or peer evaluation, based on their final assessed performance.</p> <p>Students are provided with a Drama Learning Booklet for each unit undertaken, which will include: The big Idea, Big Question/s, Skills foci, Technique foci, assessment criteria/foci for the unit, lesson by lesson learning objectives and resources, a key words and vocabulary glossary, evaluation sentence starters (to be used within lesson time) and a written assessment template.</p>
Equipment that Students Need	<ul style="list-style-type: none"> • Learning Booklet (which will mostly be retained by the teacher) • Pens (black and Green)

Parent / Carers can help their child by:	<ul style="list-style-type: none"> • Joining their child's Drama Google Classroom • Taking them to watch live theatre performances frequently • Encouraging their child to join an extra-curricular drama club
Useful Websites	http://youtube.com http://www.bbc.co.uk/schools/gcsebitesize/drama/
Extra-Curricular Activities & Career Opportunities	<ul style="list-style-type: none"> • KS3 Drama Club • Bi-annual Holy Family Whole School Production • Opportunities to take part in workshops provided by professional actors/directors/playwrights • Opportunities to attend theatre trips

Who Can I Contact?	Head of Drama	Ms Hampshire-Mannion: ms.hampshire@holyfamilycatholicschool.co.uk
	Teachers of Year 8 Drama	Mrs Henry - mrs.henry@holyfamilycatholicschool.co.uk

Holy Family Catholic School Curriculum Overview Year 8 – English

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sept-Oct)	My Swordhand is Singing (novel) Students will read a whole Gothic novel and focus on the development of character and literary context.	Students should read Dracula by Bram Stoker or novels in the Twilight series by Stephanie Meyer.
Half Term 2 (Nov-Dec)		
Half Term 3 (Jan-Feb)	Noughts and Crosses (play) Students will read a whole modern play and explore themes of racism, inequality and political upheaval through the play and related poems.	Students should read the novel version of Noughts and Crosses and other books in the series by Malorie Blackman.
Half Term 4 (Feb-Mar)		
Half Term 5 (Apr-May)	Romeo and Juliet (Shakespeare) Students will study this classic Shakespeare play using the whole text and exploring Shakespeare's language, as well as learning some key technical terms relating to tragedy and stagecraft.	Students should read other Shakespeare stories, for example by reading Manga Shakespeare or The Shakespeare Stories. They could watch the Franco Zeffirelli and Baz Luhrmann film versions.
Half Term 6 (Jun-Jul)		

Examples of Home Learning Tasks	Research tasks, pre reading tasks, knowledge consolidation tasks, creative writing tasks.
Assessment Tasks, Methods & Frequency	Formal assessment at least once a term, regular informal writing tasks.
Equipment that Students Need	Blue or black pen, highlighter pens. A small dictionary and thesaurus are also recommended.

Parent / Carers can help their child by:	Ensuring they read a wide range of texts regularly and independently at home.
Useful Websites	https://senecalearning.com/en-GB/
Extra-Curricular Activities & Career Opportunities	Theatre trips, online booster sessions, school magazine. English language skills are vital for most jobs and very useful for any career that involves a need for strong communication skills, as well as law, journalism and marketing roles.

Holy Family Catholic School Curriculum Overview Year 8 – Religious Education

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sept-Oct)	<p><u>Creation: Human Condition</u></p> <p>Pupils will continue study of the RECD 2012 (new RECD 2022 from September 2023). Content will include why we have sin and suffering in the world. Pupils will study the Fall in Genesis 3, what is sin?, how the conscience can influence an individual's moral compass, conscientious objectors such as Sophie Scholl, what the Ten Commandments are and how these begin to help us understand moral philosophy, the sacrament of Baptism. Pupils will also compare artistic expressions depicting Moses and reflecting on its personal meaning for them.</p>	<p>https://www.bbc.co.uk/bitesize/articles/z2kcdnb</p> <p>https://www.bbc.co.uk/news/world-europe-57008360</p> <p>https://www.beginningcatholic.com/catholic-ten-commandments</p>
Half Term 2 (Nov-Dec)	<p><u>Prophecy and Promise: The Prophets</u></p> <p>Pupils will study key prophecies in the Old Testament, examining how God calls and sends prophets to humankind focusing on Jeremiah and Amos, they will analyse prophecies concerning the coming of the Messiah, analyse prophecies in the New Testament particularly the experience of John the Baptist, the call for all to be priest, prophet and king, as well as modern figures like Oscar Romero, students will uncover the profound ways in which prophecy shapes faith and life. They will also reflect on the season of Advent and its deep connection to prophecy.</p>	<p>https://bibleproject.com/guides/book-of-amos/</p> <p>https://bibleproject.com/guides/book-of-jeremiah/</p> <p>https://www.bbc.co.uk/bitesize/guides/zmpqf4j/revision/2</p> <p>https://www.learnreligions.com/prophecies-of-jesus-fulfilled-700159</p>
Half Term 3 (Jan-Feb)	<p><u>From Galilee to Jerusalem: Jesus' Ministry and the Kingdom of God</u></p> <p>Pupils will study Jesus' ministry and his teachings about the Kingdom of God through the example he set, the parables he taught, and the miracles he performed. They will delve into traditional interpretations of these stories and focus on how the teachings of Jesus call people to live today. Pupils will explore the corporal and spiritual works of mercy, they learn about the mission of Missio, and reflect on the lives of saints like Father Damian of Molokai. Additionally, they will study the significance of the sacrament of Anointing of the Sick.</p>	<p>https://www.bbc.co.uk/bitesize/articles/zh99jfr</p> <p>https://www.bbc.co.uk/bitesize/guides/z4h7y9q/revision/1</p> <p>https://www.bbc.co.uk/bitesize/guides/z4wg7nb/revision/5</p>
Half Term 4 (Feb-Mar)	<p><u>From Desert to Garden: What does Christianity teach about Suffering?</u></p> <p>A study of the complex issue of suffering and its purpose, delving into theological and philosophical perspectives. They will examine different types of evil and suffering, the insights provided by the Old Testament, and the ways in which Jesus suffered. Through studying Lent, the Easter Triduum, and the</p>	<p>https://www.catholic.org/lent/holyweek.php</p> <p>https://www.bbc.co.uk/bitesize/guides/z2xxk2p/revision/2</p>

	Sacrament of Reconciliation, students will gain a deeper understanding of the redemptive aspects of suffering. The inspiring story of Margaret and Barry Mizen will provide a contemporary example of finding meaning and purpose in the face of tragedy.	https://www.theforgivenessproject.com/stories-library/barry-margaret-mizen/
Half Term 5 (Apr-May)	<p><u>To the Ends of the Earth: Eschatology and the Christian hope</u></p> <p>A study of the teachings about the resurrection as found in Luke's Gospel. They will investigate the significance of the empty tomb, not just as a symbolic gesture, but as evidence of Jesus' resurrection as a historical event. The curriculum will also delve into theological and philosophical questions about the nature of human beings, the existence of the soul, and Catholic beliefs regarding what happens after death. This journey will encompass discussions on judgement, heaven, hell, purgatory, the necessity of Baptism for salvation, and the importance of Catholic funeral rites, along with a comparative study of different Christian funeral traditions around the world.</p>	<p>https://www.bbc.co.uk/bitesize/guides/z43f3k7/revision/6</p> <p>https://www.youtube.com/watch?v=05YB2jdHLsY</p>
Half Term 6 (Jun-Jul)	<p><u>Encounter and Dialogue: Islam</u></p> <p>Pupils will embark on an enriching journey through the transformative period of the Second Vatican Council, exploring its significance and the profound changes it brought to the Catholic Church. They will delve into the importance of the papal encyclical "Ecclesiam Suam" and understand the diverse composition of the Catholic Church, including a focused study on the Ukrainian Greek Catholic Church. Additionally, students will broaden their horizons by studying Islam, gaining insights into its key beliefs, practices, and the impact these have on the lives of its adherents.</p>	<p>https://www.bbc.co.uk/religion/religions/christianity/subdivisions/easterorthodox_1.shtml</p> <p>https://www.bbc.co.uk/bitesize/guides/zc668mn/revision/6</p> <p>https://www.bbc.co.uk/religion/religions/islam/</p>

Examples of Home Learning Tasks	Reading and analysis of Biblical scripture, writing developed paragraphs in response to a question, completion of quizzes on key knowledge on Google Forms.
Assessment Tasks, Methods & Frequency	<p><u>Ways of knowing:</u></p> <ul style="list-style-type: none"> • Understanding (recalling, describing and explaining beliefs and practices) • Discern (consider, compare and contrast beliefs and practices with own viewpoints and those of other communities) • Respond (reflecting and evaluating the beliefs and practices of the Church in response to stimulus material, including quotes, artistic material, and ethical questions). <p>Half-termly formal assessment, mid way through topic, formative assessment.</p>
Equipment that Students Need	Access to the Bible (provided), dictionary, black/blue pen, red and green pen, highlighters, coloured pencils (provided), and ruler.

Parent / Carers can help their child by:	Checking their exercise book and Google Classroom submissions weekly.

Holy Family Catholic School Curriculum Overview Year 8 – Science

Biology, Chemistry and Physics

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sept-Oct)	<p>Light Students will learn how to draw ray diagrams to illustrate how light behaves in different circumstances.</p> <p>Adaptations and Inheritance Students will learn about competition in living organisms and different adaptations that help them to survive, and can lead to natural selection, evolution or extinction. They will learn how DNA was discovered and its role in inheritance and variation.</p>	Horrible Science of Everything by Nick Arnold
Half Term 2 (Nov-Dec)	<p>Ecosystem Processes Students will learn about photosynthesis; how plants use minerals for growth and gain understanding of both aerobic and anaerobic respiration. Students will further gain an understanding of food chains/food webs and the implications when they are disrupted.</p> <p>Separation Techniques Students will develop practical techniques (filtration, distillation, and chromatography) to separate mixtures</p> <p>Metals and Acids Students will investigate how metals react with dilute acid and use the pH scale through practical investigations and represent their observations using word and chemical equations.</p>	The Planet Factory by Elizabeth Tasker
Half Term 3 (Jan-Feb)	<p>Acids and Alkalis Students compare properties of acids and alkalis and use the pH scale to make their own observations and draw conclusions.</p> <p>Motion and Pressure Students will investigate and learn how to calculate pressure. They will gain an understanding of how to differentiate between and calculate speed and acceleration.</p>	Bad Science by Ben Goldacre
Half Term 4 (Feb-Mar)	<p>Health and Lifestyle students will be introduced to different food groups that make up a healthy diet and evaluate the effects of an unbalanced diet. They will carry out food tests on different food groups. They will look at the digestive system and how food is broken down by different enzymes.</p> <p>SCIENCE WEEK</p>	Frankenstein by Mary Shelley

Half Term 5 (Apr-May)	Electricity and Magnetism Students will take a practical approach to learn about series and parallel circuits. They will explore current, resistance, static electricity and electromagnets.	World of Science Various Authors edited by Belinda Gallaher
Half Term 6 (Jun-Jul)	End of year exam - includes all Year 7 & Year 8 content. Space Students will learn about the structure of the universe, solar system, how seasons arise and different phases of the moon Earth Students will learn about the structure of the Earth by looking at the rock cycle and how different types of rocks were formed.	Built by Roma Agrawal

Examples of Home Learning Tasks	Extended Writing Literacy projects Seneca Online tasks and quizzes Literacy and Numeracy tasks per topic
Assessment Tasks, Methods & Frequency	Combined end of topic tests on 2 topics every half-term i.e. every 5-6 weeks. End of Year Exam (all topics covered)
Equipment that Students Need	Basic stationary: pens (black and green), pencil, ruler, rubber Specificic equipment: calculator

Parent / Carers can help their child by:	Joining the 'Google Classroom' to enable discussion about their learning and homework requirements. Ensuring their child is fully equipped at the beginning of the academic year. Attending Parents' Evenings.

Holy Family Catholic School Curriculum Overview Year 8 – Spanish

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sept-Oct)	<p>Module 1: Mis vacaciones</p> <p>Recap year 7 key vocab, key questions and answers, introducing myself, likes and dislikes, review of TONIC.</p> <p>Learning about Spanish and Latin American geography, describing a past holiday using TONIC</p> <p>Forming regular -ar, -er, -ir verbs in the preterite, forming the preterite tense of Ir</p>	<p>https://snappyspanish.com/beginner-spanish-stories/</p> <p>https://cuentosparadormir.com/</p> <p>https://www.thespanishexperiment.com/stories</p>
Half Term 2 (Nov-Dec)	<p>Module 1: Mis vacaciones</p> <p>Giving your opinion on a past event, giving a presentation about your holiday, making sentences more interesting using TONIC, using present and past time expressions and verbs together, verb Ser in the preterite, singular and plural preterite opinions</p> <p>Research- Maya culture and influence</p>	<p>https://snappyspanish.com/beginner-spanish-stories/</p> <p>https://cuentosparadormir.com/</p> <p>https://www.thespanishexperiment.com/stories</p>
Half Term 3 (Jan-Feb)	<p>Module 2: Todo sobre mi vida</p> <p>Saying what you use your phone for, saying what type of music you like, talking about TV programs</p> <p>Revision of present tense endings- all forms, using time expressions with the present tense, using opinions with different subject pronouns, C pronunciation as /th/ and /k/, forming and using comparative adjectives</p>	<p>https://snappyspanish.com/beginner-spanish-stories/</p> <p>https://cuentosparadormir.com/</p> <p>https://www.thespanishexperiment.com/stories</p>
Half Term 4 (Feb-Mar)	<p>Module 2: Todo sobre mi vida</p> <p>Understanding a TV guide, using an authentic text-TV guide and programs,</p> <p>Preterite tense consolidation, verb Hacer in the preterite, using two tenses together, including the 3rd person singular, using time sequencers, revision of cognates and near cognates</p> <p>Learning about Peru and Sevilla, Proyecto- Tiene mucho talento 'Juanes'</p>	<p>https://snappyspanish.com/beginner-spanish-stories/</p> <p>https://cuentosparadormir.com/</p> <p>https://www.thespanishexperiment.com/stories</p>
Half Term 5 (Apr-May)	<p>Module 3: ¡A comer!</p> <p>Discussing typical Spanish and Latin American typical foods, saying what food you like, describing mealtimes, revising the Time, understanding a menu, ordering a meal, discussing what to buy for a party, giving an account of a party.</p> <p>Giving a wider range of opinions and Exclamations (Idioms), changing You forms in questions to I forms, forming and using negative sentences, using Usted / Ustedes, forming and using the Near future,</p>	<p>https://cuentosparadormir.com/</p> <p>https://www.thespanishexperiment.com/stories</p>

	using three tenses together, using present, past and future time expressions (adverbs)	
Half Term 6 (Jun-Jul)	Module 4: ¿Qué hacemos? Discussing your daily routine, discussing getting ready to go out, describing clothes including adjectival agreement, using reflexive verbs, revising time and time adverbs, using demonstrative adjectives, using three tenses Film study: Encanto	https://snappyspanish.com/beginner-spanish-stories/

Examples of Home Learning Tasks	Reading comprehension, writing developed paragraphs, online work on Activelearn.
Assessment Tasks, Methods & Frequency	Listening, speaking, reading, writing, grammar and translation during lessons and formal assessments half-termly.
Equipment that Students Need	A Student Guide (provided), a ruler, highlighters, coloured pens.

Parent / Carers can help their child by:	Checking their child's exercise book and Google Classroom submissions weekly. Listening to their spoken Spanish, testing them on vocabulary knowledge from the student guide regularly, getting and using a bilingual dictionary, downloading apps like Duolingo to practise Spanish.

Holy Family Catholic School Curriculum Overview Year 8 – Technology (Design Tech)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sept-Oct)	Board Game project: <ul style="list-style-type: none"> How to brainstorm for your board game. How to delegate roles within your team and to know the key elements of a good team. How to write a situation and a design brief. How to design company logos to go on packaging, and why. How to create design ideas for packaging. How to create design ideas for board game. How to work safely in the graphics room (know how to use a craft knife, safety ruler, cutting mat, and double-sided tape). 	<ul style="list-style-type: none"> Write a meaningful conclusion for the brainstorm. The use of 2D Techsoft and google sketchup. Download the Sketchup online version- It's free, just register with your school email and start drawing! https://www.sketchup.com/products/sketchup-for-web
Half Term 2 (Nov-Dec)	Board Game Project (continue): <ul style="list-style-type: none"> How to use sticky back plastic and a laminator to give a professional finish to paper/card items. Finish making the board game. How to play your board game and evaluate the game and the project. How to present your board game and peer assess the board games of other teams. How to write an evaluation for the board game project. Complete the mini-assessment score sheet 	<ul style="list-style-type: none"> Complete mini-assessment score sheet and the target sheets. Complete the final assessment score sheet. Draw the modified version of the final product if given the chance to make it again.
Half Term 3 (Jan-Feb)	Wind Chime / Dream Catcher Project: <ul style="list-style-type: none"> Research existing wind chimes and different types of forces. How write a design brief stating what you intend on designing and who you intend on designing for (your target market). How to analyse an existing hand game using 5WH (Who, Where, What, Why, When and How) technique. How to create a nature inspirational collage. How to create a collage line drawing. How to write a meaningful design specification using ACCESSFM technique. How to generate creative and original design ideas of wind chimes and evaluate them against design specification. How to draw the final design of the wind chime. 	<ul style="list-style-type: none"> Draw and label the type of forces. Compare wind chimes / dream catchers and write meaningful conclusions. Complete the planning sheet. Evaluate the final design against design specification.
Half Term 4 (Feb-Mar)	Wind Chime / Dream Catcher Project (continue): <ul style="list-style-type: none"> Writing a comprehensive production plan. How to make the wind chime using materials available including recyclable materials. 	<ul style="list-style-type: none"> Complete the mid-product assessment.. Complete the final assessment score sheet.

	<ul style="list-style-type: none"> • Testing and evaluating the finished project and suggesting how the project could be improved in future. • Complete an end-of-project assessment. 	<ul style="list-style-type: none"> • Draw the modified version of the final product if given the chance to make it again.
Half Term 5 (Apr-May)	Steady Hand Game Project: <ul style="list-style-type: none"> • How to research types of hand games and describe their users, materials, function, appearance, manufacture, etc. • How to write a design brief stating what you intend on designing and who you intend on designing for (your target market). • How to analyse an existing hand game using 5WH (Who, Where, What, Why, When and How) technique. • How to develop a design specification using 'should', 'could', and 'must'. • How to calculate resistance of resistors using colour code. Input-process-output. • How to categorise electronic components under Input, process, and output. • How to generate creative and original design ideas of steady hand game background (theme) and wire course. • How to understand the use of Printed Circuit Board (PCB) in electronic equipment. • How to write a comprehensive production plan. • 	<ul style="list-style-type: none"> • Write a meaningful conclusion for the research into existing products.. • The use of 2D Techsoft and google sketchup. Download the Sketchup online version- It's free, just register with your school email and start drawing! https://www.sketchup.com/products/sketchup-for-web • More work on calculating resistances. • Complete production plan sheet.
Half Term 6 (Jun-Jul)	Steady Hand Game Project (continue): <ul style="list-style-type: none"> • How to make a lap joint and create a stand for the steady hand game. • How to make the background for the moving toy. • How to solder electronic components together using soldering iron. • How to assemble all the parts together. • How to test and evaluate the finished project and suggest how the project could be improved in future. 	<ul style="list-style-type: none"> • Draw and label different types of wood joints. • Complete electronic components worksheet. • Draw the modified version of the final product if given the chance to make it again.

Examples of Home Learning Tasks	As per whole school assessment cycle pupils will be tested on a mid-project assessment as well as an end of project assessment which is in keeping with the whole school data drops schedule
Assessment Tasks, Methods & Frequency	Pupils will get a taste of drawing in 2D and 3D software just as Architects, engineers, game designers and artists do. Students use 2D Techsoft to design packaging nets for the board game.
Equipment that Students Need	Pen/Pencil/Colour pencils/ green pen/eraser/sharpiers for the H&S posters

Parent / Carers can help their child by:	Youtube, https://www.sketchup.com/products/sketchup-for-web , www.technologystudent.com , www.howitworks.com , www.bbcbitsize.co.uk

Who Can I Contact?	Head of Technology	Mr. S. Nandlal
	Teachers of Year 8 Technology	Miss L Jaber/ Mr.P Kwarteng/ Mr S. Nandlal

Holy Family Catholic School Curriculum Overview Year 8 – Technology (Food & Textiles)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sept-Oct)	<p>Theory:</p> <ul style="list-style-type: none"> - What is HACCP? Hazards, Analysis, critical, control, point. - Be able to identify risks and control measures - Be able to identify the hierarchy system from both front and back of house in the Catering industry. - Be able to state the skills and qualities different job roles in the Catering industry - Be able to explain the different methods of cooking food and suggest ingredients they can be used for. - Be able to examine how the sensory properties and nutrition of food changes when cooked by different methods. - To identify a range methods to prepare and cook potatoes <p>Practical Skills:</p> <ul style="list-style-type: none"> - To prepare and make a range of dishes using a range of cooking methods. - To use correct chopping techniques and safety procedures when using and handling a knife. - To be able to use the cooker correctly and safely. - To demonstrate good knowledge and use of safety procedures and quality control during the practical. <p>Practical Dishes:</p> <ul style="list-style-type: none"> - Garden Focaccia - Mash Potatoes 	

Half Term 2 (Nov-Dec)	<p>Theory:</p> <ul style="list-style-type: none"> - Be able to explain the nutritive value of eating beef. Advantages and disadvantages - Be able to identify different cuts of beef - All about Pasta - What does garnishing mean? - What is food presentation and how to style a plate? <p>Practical Skills:</p> <ul style="list-style-type: none"> - To prepare and make a range of dishes using a range of cooking methods. - To use correct chopping techniques and safety procedures when using and handling a knife. - To be able to use the cooker correctly and safely. - To demonstrate good knowledge and use of safety procedures and quality control during the practical. - To be able to handle meat safely to avoid cross contamination and food poisoning <p>Practical Dishes:</p> <ul style="list-style-type: none"> - Meat Koftas - Spaghetti Bolognese - Mushroom Risotto 	
Half Term 3 (Jan-Feb)	<p>Theory:</p> <ul style="list-style-type: none"> • Be able to explain the nutritive value of eating chicken and poultry. Advantages and disadvantages • Be able to identify different cuts of chicken • To explore a range of food allergies and intolerances • To investigate a range of diets and dietary requirements people follow and to identify the reasons for these choices <p>Practical Skills:</p> <ul style="list-style-type: none"> • To prepare and make a range of dishes using a range of cooking methods. • To use correct chopping techniques and safety procedures when using and handling a knife. • To be able to use the cooker correctly and safely. • To demonstrate good knowledge and use of safety procedures and quality control during the practical. • To be able to handle chicken and poultry safely to avoid cross contamination and food poisoning <p>Practical Dishes:</p> <ul style="list-style-type: none"> • Upside Down Fruit Cake • Thai Green Curry • Cauliflower Cheese <p>Food Preparation and and cooking skills developed in Year 8:</p>	

	Peeling, cutting, chopping, slicing, dicing, mixing, stirring, combining, weighing, measuring, seasoning, Beating, Whisking, melting, using hob/grill/toaster/oven/kettle, Top and tail, grating, boiling, simmering, kneading, portioning/dividing, baking, forming, shaping, frying, sauteing, stir-frying, mashing, fine chopping, crushing, rub-in method, sift, roll out pastry.	
Half Term 4 (Feb-Mar)	Pencil Case Project Theory <ul style="list-style-type: none"> • What is a design brief? • To analysis a design brief and theme to help generate creative ideas • How are fabric prints developed? • How to analyse existing textile products? Practical Skills <ul style="list-style-type: none"> • Develop a range of pencil mark making skills. • Create tonal drawings using a viewfinder and mark making skills. • Develop own fabric print design using heat transfer paints 	
Half Term 5 (Apr-May)	Theory <ul style="list-style-type: none"> • Understanding different printing methods. • What is a viewfinder and how to use them to create interesting prints/patterns. • How to develop a print/pattern from a range of sources? 	
Half Term 6 (Jun-Jul)	Theory <ul style="list-style-type: none"> • How to use a Heat Press safely and confidently? • What makes a good package design? Key features/information found on packages? • To recognise hand embroidery as a textiles decorative technique. Practical Skills <ul style="list-style-type: none"> - Following and using a pattern and production method; understanding how a textiles product is constructed. - Operating a sewing machine safely and confidently. - Pin, tack and sew using the sewing machine to construct a bow tie using own fabric print design. - To apply a range of hand embroidery stitches to a pencil case. 	

Examples of Home Learning Tasks	<u>Food</u> <ul style="list-style-type: none"> • Research garden focaccias, draw your own garden focaccia design considering the different vegetables you can use. • Cooking methods worksheet Create a comic which teaches primary school students how potatoes are grown. • Animals and their meat and cuts worksheet • Create a moodboard of different types of pasta shapes and their names <u>Textiles</u>
--	--

	<ul style="list-style-type: none"> • Create a mind map of all things related to natural forms. • Research a famous fabric print designer. • Mirror Image Print Design worksheet • Research the different printing methods and create an information leaflet of your findings • Create a step by step instruction card on how to use heat transfer paints and transfer designs onto fabric. • Logo and package design for pencil case
Assessment Tasks, Methods & Frequency	<ul style="list-style-type: none"> - Theory Knowledge Assessment (Written Assessment) - Cooking skills assessed each practical (peer/self/teacher assessed)
Equipment that Students Need	Pencils, pens, colouring pens/pencils, ruler, rubber, sharpener, homework folder

Parent / Carers can help their child by:	<p>Parents/Carers can help their child by ensuring they check Google Classroom regularly so that they are aware of ingredients and homework they need to bring to lessons.</p> <p>We expect students to be able to wash up during practical lessons so please let students do this at home</p>
