

Curriculum Information

Year 9

2021-22

Year: 9 Subject: Art
 Learning across the Year 2021-22

Curriculum Leader: Mr Javaid & Mr Madden

Email: s.javaid@holyfamily.waltham.sch.uk d.madden@holyfamily.waltham.sch.uk

Project 1	Project 2	
<p>Day of the Dead</p> <ol style="list-style-type: none"> 1. Skills test - observational drawing of skull/flowers 2. Day of the Dead 3. Abstract flowers using acrylic 4. Skull Lino relief cutting 5. Lino printing 6. Stencil Flower cutting 7. Stencil spray painting/sponge and paint 8-10. Final piece development using chosen method 	<p>Surreal Room</p> <ol style="list-style-type: none"> 1. Introduction to Surrealism 2. Oil pastel artist study 3. Kendario La Pierre Pen study 4. Rorschach ink folding and blowing 4. Surreal collage 5. Drawing from collage 6. 1 & 2 point perspective drawing 7-8. Create a surreal room using watercolour 	
Homework	Homework	
<ol style="list-style-type: none"> 1. Frida Kahlo Analysis 2. Day of the Dead rsearch page 3. Day of the Dead skull design in colouring pencils 4. Day of the dead skull and flowers collage 5. Final piece development plan 	<ol style="list-style-type: none"> 1. Surrealism research and presentation 2. Kendario La Pierre Analysis 3. Find a surreal advert 4. My brain is coming out of my ear poem illustration 5. Surreal Room final piece development 	

Assessment Dates/Topics/Skills	Assessment Dates/Topics/Skills	
Mon 29th October - Mon 5th November Drawing Mixed media control Experimenting Planning Resilience Resourcefulness Reciprocity Reflectiveness	Mon 11th - 25th February Drawing Mixed media control Experimenting Planning Resilience Resourcefulness Reciprocity Reflectiveness	

Autumn Term	Spring Term	
Challenge Tasks	Challenge tasks	
Create a digital art and/or face painted version of the skull and flower design inspired by day of the dead	Create a surreal photomontage in Photoshop using the tutorial	
Recommended Resources	Independent Learning Expectations	
Students MUST have: drawing pencils (2B/4B), rubber, sharpener, colouring pencils and a glue stick. Students could visit the following websites/galleries to develop ideas: Gallery websites: http://www.saatchigallery.com/ http://www.tate.org.uk/ http://www.nationalgallery.org.uk/ http://www.vam.ac.uk/	Students should spend at least 1 hour on homework which could include planning and research. Students could further their skills and understanding by researching artwork online or visiting local galleries. They could also attend art club which further enriches students whilst complimenting the art curriculum.	

Year: 9

Subject: Drama

Curriculum Leader: Miss Hampshire

Learning across the Year 2021-22

Email: s.hampshire@hollyfamily.waltham.sch.uk

Course Details
Sept-Dec 2021/Jan-April 2022
Exploring Play Texts Students will practically explore a play text and tasks will include line learning, directing, devising and performing, as well as developing technical theatre skills: designing lights, sound, set and costume.
Homework Homework set will consist of line learning, research around the social, cultural and historical context of the unit of work and play. Students will complete documentary evidence of the process of their exploration, which will include research into topics/themes, Collecting stimulus for lessons and self and peer evaluation.
Assessment Details Year 9 is a scripted performance focus (line learning, directing, devising and performing), as well as developing technical theatre skills (designing lights, sound, set and costume).

Sept-Dec 2021/Jan-April 2022

Challenge Tasks

- Research a practitioner's background and journey of developing their own theatre style, which is then applied in performance work and shared with the rest of the class.
- Attend local theatres to watch a range of performances, in order to be able to draw comparisons between performances.
- Watch live theatre via the National Theatre website in order to draw comparisons between different approaches to staging performance. www.nationaltheatre.co.uk
- Application of aspects learnt through the course of the year to the staging of the final performance assessment.
- Articulating the intended impact on the audience via how the role/performance has been staged.

Independent Learning Expectations/Recommended Resources

- To learn lines
- To research and contribute ideas to the developmental process.
- Students to take responsibility for their own learning by making sure they attend all lessons and catch up on any work missed by liaising with their subject teacher and using Google Classroom
- To manage deadlines and organise time appropriately.
- Attend as much live theatre as possible
- Watch clips on YouTube of a range of theatre companies to get ideas: Complicite, Push, Frantic Assembly
- Read range of theatre reviews in national newspapers
- The Stanislavsky Toolkit - ISBN - 978-1854597939
- The Brecht Toolkit - ISBN - 978-1854595508

Course Details

April - July

Scripted Performance

Students will perform either a monologue or a duologue to an audience.

Homework

Homework set will consist of line learning, character development, research around the social, cultural and historical context of the play.

Assessment Details

Year 9 is a scripted performance focus (line learning, directing, devising and performing), as well as developing technical theatre skills (designing lights, sound, set and costume).

Students will be graded on their performance using the Drama GCSE Component 2 Criteria/mark scheme.

Sept-Dec 2021/Jan-April 2022

Challenge Tasks

- Research a practitioner's background and journey of developing their own theatre style, which is then applied in performance work and shared with the rest of the class.
- Attend local theatres to watch a range of performances, in order to be able to draw comparisons between performances.
- Watch live theatre via the National Theatre website in order to draw comparisons between different approaches to staging performance. www.nationaltheatre.co.uk
- Application of aspects learnt through the course of the year to the staging of the final performance assessment.
- Articulating the intended impact on the audience via how the role/performance has been staged.

Independent Learning Expectations/Recommended Resources

- To learn lines
- To develop their character
- To design basic lighting/sound/set and costumes for their performance
- To research and contribute ideas to the developmental process.
- Students to take responsibility for their own learning by making sure they attend all lessons and catch up on any work missed by liaising with their subject teacher and using Google Classroom
- To manage deadlines and organise time appropriately.

- Attend as much live theatre as possible
- Watch clips on YouTube of a range of theatre companies to get ideas: Complicite, Push, Frantic Assembly
- Read range of theatre reviews in national newspapers
- The Stanislavsky Toolkit - ISBN - 978-1854597939

Email: g.nathanson-parr@holyfamily.waltham.sch.uk

Course Details		
Autumn Term	Spring Term	Summer Term
<p>Sherlock Holmes Students will read and critically explore a Sherlock Holmes story. This unit will develop their reading skills by challenging them with 19th century vocabulary and syntax as well as giving students a grounding in the important contexts of the time.</p> <p>Kindertransport Students will also study the play Kindertransport by Diane Samuels. Students will explore genre, dramatic devices and begin to make closer links</p>	<p>World Voices: Literature of Other Cultures Students study a range of different thematically linked fiction extracts and non-fiction articles/blogs, developing their skills in analysis of language, structure and evaluation. Students then work to develop their own style of writing, aiming to mimic the forms and purposes of writing that they study. We will be exploring a number of writers of different cultures, religion, and ethnicity in order to broaden our understanding of society and literature available.</p> <p>Introducing Shakespeare at GCSE Level Students will study a variety of extracts from Shakespeare plays in order to prepare them for the GCSE course by learning about Shakespeare's language and the key contexts of the time he lived.</p>	<p>Poetry Students will study a cluster of poems about love and relationships, exploring their language and structure as well as learning to make comparisons between poems.</p> <p>Students will also prepare for their summer exams and finally will read An Inspector Calls, a key GCSE text in preparation for more detailed study in year 10.</p>

between the text and its social and historical context. They will also be taught to write giving their opinion on key topics explored in the play.		
Homework	Homework	Homework
A range of tasks to build students literacy skills with explicit links to requirements for the GCSE exams.	A range of tasks to build students literacy skills with explicit links to requirements for the GCSE exams.	A range of tasks to build students literacy skills with explicit links to requirements for the GCSE exams.
Assessment Dates/Topics/Skills	Assessment Dates/Topics/Skills	Assessment Dates/Topics/Skills
11th October: mini-essay on a reading task based on Sherlock Holmes.	Week beginning 10th January 2022: viewpoint writing task linked to Kindertransport	Week beginning 20th June-End of year exam: Language based assessment with a range of short and longer answer questions and a descriptive/narrative piece

Autumn Term	Spring Term	Summer Term
Challenge Tasks	Challenge tasks	Challenge Tasks
Create a timeline of 19th Century Literature Create a presentation, detailing how one of the aspects of context you have explored is evident in one of the text that you have studied.	Read the book that some of your extracts were taken from. Complete a portfolio of excellent writing for different forms and purposes.	Produce a 'no fear' guide to one of the poems Research one of the poets to be studied at GCSE. Create a 'Writing Revision Guide' for GCSE English Language.
Recommended Resources	Independent Learning Expectations	
English Department Reading list The School Library and Librarian BBC Skillswise (for literacy/punctuation skills) Literacy Skills booklet	At KS3 and KS4 we expect all students to read a variety of texts, both inside and outside of school. Students should read challenging material and use it to improve their own writing.	

www.senecalearning.com	<p>Students should take what they have learned in class and use it to move their own learning on to a different level, making links between different subjects.</p> <p>We expect all students to think creatively when they approach reading and writing tasks.</p> <p>We expect all homework projects to be managed and presented to a high level of excellence, showing time-management and a high level of effort.</p>	
------------------------	---	--

Year: 9 Subject: Product Design - Food/ Textiles Curriculum Leader: Ms Salahi

Learning across the Year 2021-22 Email: g.salahi@holyfamily.waltham.sch.uk

The students spend half of the academic year studying food, then rotate to textiles for the remainder of the year.

Autumn Term	Spring Term	Summer Term
<p>Theory</p> <p>Health and Safety –</p> <p>To: Understand the importance of health and safety in a food preparation area.</p> <p>Understand why it is important to maintain good personal hygiene and kitchen hygiene.</p> <p>Know and be able to apply the logical sequence in the washing up routine.</p>	<p>Theory</p> <p>The Customer –</p> <p>To:</p> <p>Investigate different types of diet related health issues.</p> <p>Identify the dietary needs for the population who have special dietary requirements/needs (including food allergens, food intolerances, coeliacs disease, the elderly and religious/cultural needs).</p>	<p>Project Title - Fashion Illustration Project</p> <p>Theory</p> <ul style="list-style-type: none"> - What are the 6R's of Sustainability? - Can we use the 6R's to inform our actions and decisions regarding how we use textiles? - To understand the requirements of the design brief - What is fashion, its purpose and impact? - What is the role of a Fashion Designer? - The difference between couture and high street fashion. <p>Practical</p> <ul style="list-style-type: none"> - Manipulating paper and fabric to obtain a required shape/form when designing garments in dress making. - To design and create your own fashion illustrations; from initial ideas, to refinement of ideas, to selecting a successful final design.

Knife Skills and Cutting Techniques -

To: Identify parts of a knife and understand the safety rules related to using it safely.

Investigate a range of cutting techniques used in the preparation of vegetables.

The Customer –

To: Describe and apply the principles of The Eatwell Guide and relate this to diet through life.

To outline why dietary needs change throughout life stages.

To describe the main dietary requirements in each key life stage.

To investigate different types of diet related health issues.

Identify the dietary needs for the population who have special dietary requirements/needs (including pescatarians, *veganism*, *diabetics*, *healthy eating for children, adolescence / teenagers*)

Practical Skills

To demonstrate and apply the principles of food safety and hygiene during food preparation and cooking.

Practical Skills

To demonstrate and apply the principles of food safety and hygiene during food preparation and cooking.

To demonstrate and apply the principles of personal and kitchen hygiene when preparing for, during and after the practical lesson.

To apply the basic knife skills whilst demonstrating the cutting techniques that can be used in the preparation of a range of vegetables.

To prepare and cook a range of dishes using various cooking methods e.g. *baking, boiling, frying, Stir-frying*.

To prepare and cook a range of dishes suitable to meet the needs of groups of people with specific dietary requirements/needs e.g. *Coeliac Disease, The Elderly, Culture and Religious Beliefs, Food Allergies and Intolerances*.

To demonstrate a range of skills during the preparation and cooking of food e.g. temperature control, use of the hob, chopping, peeling, binding, weighing, measuring, rubbing in, mixing, whisking, shaping, kneading, all-in-one cake making method, glazing, etc.

- How to use mixed media to add colour to your illustrations? Using water colours, oil pastels and colouring pencils to realise design intentions.
- How to take a design/illustration from 2D to 3D?
- How to use a mannequin to take a design from 2D to 3D, to realise a design idea?

To demonstrate and apply the principles of personal and kitchen hygiene when preparing for, during and after the practical lesson.

To apply the basic knife skills whilst demonstrating the cutting techniques that can be used in the preparation of a range of vegetables.

To prepare and cook a range of dishes using various cooking methods e.g. baking, boiling, simmering, frying, grilling.

To prepare and cook a range of dishes suitable to meet the needs of groups of people with specific dietary requirements e.g. Pescatarians Veganism, Diabetics, Healthy Eating for Children, Adolescence / Teenagers.

To demonstrate a range of skills during the preparation and cooking of food e.g. temperature control, use of the hob, chopping, peeling, binding, weighing, measuring, rubbing in, mixing, whisking, shaping, filleting, skinning, all-in-one cake making method, glazing, etc.

Dishes

- Carrot and coriander soup & French onion soup
- Curried Fish Tray Bake
- Chickpeas Spinach and Coconut Curry

Dishes

- Gluten-Free Fruit Scones
- Cottage Pie
- Noodle Stir-Fry
- Dairy and Egg-Free Lemon Cupcakes

<ul style="list-style-type: none"> - Falafel with Salad and Yogurt Dressing - Beef Burger and Sweet Potato Chips - Chocolate Brownies 		
Homework	Homework	Homework
<p>Cutting Techniques – Use the internet to research and watch videos on how to prepare different vegetables using a range of cutting techniques e.g. <i>Brunoise, jardiniere, julienne</i></p> <p>Research on the specific dietary requirements for individual groups: <i>Reasons for the diet/need, health benefits, foods they can and cannot eat, suitable recipes/dishes.</i></p> <ul style="list-style-type: none"> - Pescatarians - Veganism - Diabetics <p>Healthy Eating for Children – Case study of a child</p> <p>Teenagers – Create a 2 slide PPT presentation on the dietary requirements of teenagers</p>	<p>Research on the specific dietary needs of various of individuals:</p> <ul style="list-style-type: none"> - Coeliac Disease – Create an informative 3 fold leaflet to raise awareness on Coeliac Disease. - The Elderly – Question sheet - Culture and Religious Beliefs – Create an ‘InstaFood Vlog’ on one of your favourite cultural dishes you and your family eat at home. - Food Allergies and Intolerances – Create an A3 poster to raise awareness about <i>Food Allergies and Intolerances</i> 	<ul style="list-style-type: none"> - Bring two textile items from home which you no longer use. We will reuse and/or recycle these items in class. - Research on Alexander McQueen; complete worksheet - Create a moodboard of fashion garments created by folded paper/paper manipulation. Exploring different methods of creating shape/form - Collect a range of different papers to use in class for your paper manipulation fashion designs. This can be recycled or new paper. - Use the helpsheet and video tutorial to draw 2 examples of the 9 Head Fashion Figure technique. - Create 4 sketches of fashion figure poses; which demonstrate movement/action - Exploring fashion photography worksheet

Subject: Music

Curriculum Leader: Mrs Corlett

Learning across the Year 2021-22

Email: h.corlett@holyfamily.waltham.sch.uk

Half term 1	Half term 2	Half term 3
<p>Grime Music</p> <p>Students will learn about the history of grime. They will listen and learn about songs that have influenced grime. They will learn how to write a Grime song and will spend this half-term writing and composing a grime song from scratch. They will learn how to write and record bass lines, chords and to write some lyrics. Students will submit their work via Bandlab.</p>	<p>Musical Futures - Performing popular songs</p> <p>Students will learn and perform a range of popular songs on different instruments (Keyboard, Guitar, Ukulele and voice). Every week we will look at a different popular song and we will begin learning those songs, the difficulty of the songs get harder as the weeks go on. Alongside this students will learn about the bass clef and extend their theory knowledge.</p>	<p><u>Ode To Joy - Remixing</u></p> <p>Students will learn a classical song (Ode To Joy) on the keyboard. They will record the song into Bandlab. They will use the metronome to meticulously record the song. Once recorded we will explore remixing techniques. We will look at existing songs that have been remixed and the different ways that this is possible. Students will remix Ode To Joy using the techniques we have learnt about this term.</p>
Homework	Homework	Homework
<ul style="list-style-type: none"> Week 1 - To answer the questions on google drive based on the documentary. 	<ul style="list-style-type: none"> Week 1 - Research a performer or a producer of your choice and create a fact file 	<ul style="list-style-type: none"> Week 1 - Practice Ode To Joy at home and record the melody part into Bandlab

<ul style="list-style-type: none"> • Week 3 - Composing lyrics for your verse & chorus • Week 6 - Online theory test 	<ul style="list-style-type: none"> • Week 3 - Complete an online assessment on Music Theory 	<ul style="list-style-type: none"> • Week 4 - Research the following effects that can be used in music: Reverb, Delay, Chorus, Distortion

It is therefore expected that students complete all individual tasks to the highest possible standard. The Music Department is often open for pupils to come in at lunchtime, so it is expected that pupils will put in the extra time if it is needed. It is also expected that if students are struggling to complete individual tasks, they ask for help rather than not completing them properly
