This Thursday we welcomed Community Champions from Waltham Forest to promote empowerment regarding relationships and choices they make to end violence against women and how we can work together to promote action.

Headteacher's Update

Dear Parents/Carers,

Another busy week here at school! Here a a few things that happened this week:

On Thursday we welcomed community champions from Waltham Forest to promote empowering young women and girls in the choices they make and in their relationships, to end violence against women and girls. This is a theme that our St Vincent de Paul group have also explored in assemblies. Also on Thursday was the Year 12 Parents' Evening.

On Friday, Year attended a Poetry Live event where they heard from nationally and internationally acclaimed poets such as Simon Armitage, John Agard, Carol Ann Duffy and many more. This was an invaluable experience where students also head from GCSE examiners and looked at how they might deal with unseen poems in the exam, both how to think about them and how to write for the best possible results.

Finally, our Lenten preparations are well underway. Our House charity fortnight will take place shortly, where the Houses will compete to raise money for our Lenten charity; the Rosary is said before school in the chapel on upper site each week and students also have the chance to participate in the Stations of the Cross.

Thank you, as always, for your ongoing support of the school.

God bless,
Mrs Laws
