HEADTEACHER'S MESSAGE

Quotation of the week

'No work is insignificant. All labour that uplifts humanity has dignity'

Martin Luther King

Bank Holiday Monday 3rd May 2021

Please remember there is no school on Monday as it is the May Day bank holiday. Pope Pius XII instituted the feast of Saint Joseph the Worker in 1955. This feast extends the long relationship between Joseph and the cause of workers in both Catholic faith and devotion. Beginning in the Book of Genesis, the dignity of human work has long been celebrated as a participation in the creative work of God. By work, humankind both fulfills the command found in Genesis to care for the earth (Gen 2:15) and to be productive in their labors. Saint Joseph, the carpenter and foster father of Jesus, is but one example of the holiness of human labour. Jesus, too, was a carpenter. He learned the trade from Saint Joseph and spent his early adult years working side-by-side in Joseph's carpentry shop before leaving to pursue his ministry as preacher and healer.

Investors in People

I'm delighted to inform parents that Holy Family continues to be an Investors in People Gold accredited school. We received notification of the extension of our award for a further three years earlier this month. This means that our emphasis on staff training and development is exceptional and reflects the excellent work that goes on in the school every day to help staff learn, develop new skills and constantly improve. Only 3% of schools attain Gold status so this is a great achievement for the school.

Yr 12 Parents Evening Thursday 6th April

This is a remote parents evening and Mr Delf has written separately to all Yr 12 parents/carers with information about the parents evening arrangements.

Testing for covid

Please continue to carry out the lateral flow tests at home and report the results of these tests. While cases continue to fall we cannot be complacent and it is really important that we continue to test ourselves regularly. Although cases in Waltham Forest are below the London average the level of infection at the moment is still greater than it was in July 2020 so we must carry on doing what we can to limit the risks.

Yr 11 tests and Yr 13 tests

Yr 11 tests began this week and have gone very well. Next week Yr 13 tests take place also.

Waltham Forest Health Survey

Please could your son/daughter complete this Youth Health Champions survey. Thank you.

Parents' surgery

Parents' surgery is currently a remote service. If you would like to speak to me please contact the office on either site and they will let me know that you would like me to call you on Thursday afternoon between 4pm and 5pm. You can also email me directly at anytime on a.stone@holyfamily.waltham.sch.uk

Please continue to remember us in your prayers.

With best wishes,

Dr Stone

HEADTEACHER'S

COMMENDATIONS

This week we have commendations for
the following students: from Mr Sayer
Head of Yr 8.

Harshan Jeyarajah &
Devonte Bokor

- For their efforts in holding up the core values of the Holy Family way.
- Cleaning up their school community by litter picking
- Always being extremely polite to all staff.

Well done to both students for being
outstanding role models.

Exam Prayer

Dear Lord,
as I take these exams,
I thank you that my life is
enfolded in the embrace on
your great love for me.
Help me with all the testing
challenges of life that will
come my way.
Holy Spirit,
guide me with the
gifts of Wisdom, Knowledge,
Understanding and
right judgement.
Holy Mary, pray for us and all
our young people.
May they know the touch of
your loving caress.

Be who God meant
you to be, and you will
set the world on fire.

St. Catherine of Siena

Today is the Feast of St Catherine of
Siena, Doctor of the Church. She
helped the poor, the sick, and the
imprisoned of Siena.

Patron of illness, Italy, Europe and
nurses among several.

"Holy Spirit, come into my heart, and
in your power draw it to you"

Rosary Assembly

Last Friday Year 11 had a special Rosary Assembly before they begin their exams. Each student was given a small Rosary and we thank Canon Niall for blessing both the Rosaries and the students as they begin their final weeks in school. Canon Niall said they should "do their best and let God do the rest", wise words.

We wish our Year 11s all the best in their exams and look forward to seeing them back in Sixth Form next year.

We also wish success to our Year 13s who are also sitting exams over the coming weeks.

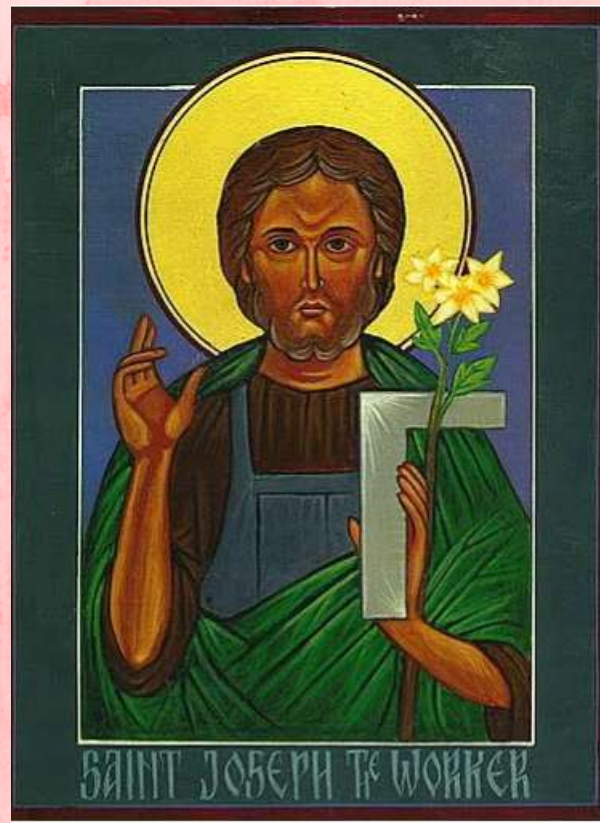

Stay safe, Mrs Grierson, Chaplain

The Year of St Joseph

Pope Francis, recalling the 150th anniversary of the declaration of St Joseph as Patron of the Universal Church, has proclaimed 2021 "Year of Saint Joseph".

Pope Francis describes St Joseph as a beloved father, a tender and loving father, an obedient father, an accepting father; a father who is creatively courageous, a working father, a father in the shadows. Against the backdrop of the Covid-19 pandemic which has helped us see more clearly the importance of "ordinary" people who, though far from the limelight, exercise patience and offer hope every day. In this, they resemble St Joseph, "the man who goes unnoticed, a daily, discreet and hidden presence," who nonetheless played "an incomparable role in the history of salvation."

1st May - Feast Day of St Joseph the Worker

God our Father, Creator and Ruler of the universe, in every age you call us to use and develop our gifts for the good of others. With St. Joseph as our guide, help us to do the work you have asked and come to the rewards you have promised. Please grant this through Christ our Lord. Amen.

Stay safe, Mrs Grierson, Chaplain

Yr 9 Photography talk by Isha Shah and Sama Kai

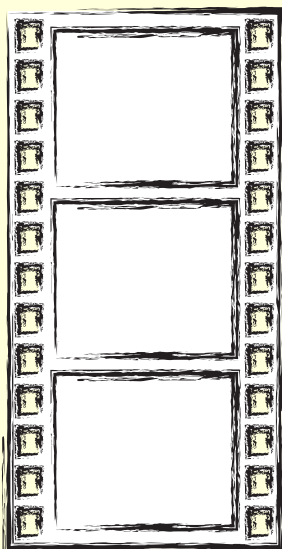

Photography talk:

This talk was based on the creativity, boldness and passion that Isha Shah and Sama Kai have for photography which grew from a hobby that then sparkled to a job that features their life. All their photos tell a story, their striking personality and the uniqueness of these photographers.

Isha Shah is known as someone who incorporates her taste in music and love for photography. She works for brands, artists and companies, starting from the most new to the ones in up-market/famous. Such as Adidas, Nike, Lewis capaldi and Mahalia (etc). Sama Kai from Freetown, Sierra Leone, a witness of a civil war since a young child who then moved to the Uk. He found the peace he was searching for from his troubling past, by his new appreciation for photography. As a diverse person who photographs things starting from the BLM movement to his new photos under 'Black is the new orange'.

This talk was made in light to inspire many to follow and appreciate photography.

Study tip

Use Mind Maps to Connect Ideas

If you find it difficult to remember tons of new study notes, Mind Maps may be the key to improving your memory. The theory behind mind mapping explains that making associations by connecting ideas helps you to memorise information easier and quicker.

Year 8 - Week 2 Tuesday Lunchtime in L15

CREST helps young people become independent and reflective learners through enquiry-based project work.

The challenge Students work independently or in groups to plan and run a project addressing a real-world STEM problem. Students complete a 10-hour project which is a perfect introduction to STEM project work. Over the course of the project, teams of students design their own investigation, record their findings, and reflect on their learnings. The process gives students a taste of what it is like to be scientist or engineer in the real-world.

Student-led CREST is a nationally recognised scheme for student-led project work in the STEM subjects (science, technology, engineering and maths).

Flexible CREST gives young people aged 5–19 the chance to choose their own subject and methodology when completing their hands-on investigation.

Trusted It has been running since 1986 and sees tens of thousands of young people taking part each year.

Real world results Students who participate in CREST Silver achieve higher grades and are more likely to study STEM subjects at AS level.

The outcome The project process develops enquiry, problem-solving and communication skills. CREST Bronze can be used by students to enhance their personal CV and University Application. After completing the project, each student receives a personalised certificate

BOOK REVIEW

This book is REALLY GOOD. It has been a while since I have read a book that made me want to read it so much. It also taught me a lot of the eyes through a kid's journey to save his mum. I believe that there are many people who are suffering with the same problem the boy faced in the book. I like how humorous it was; it reminded me a lot of Once (the book). Thank you Mrs Lloyd for recommending it to me. One of the best books I have read.

When did you last take
the time to say
THANK YOU?

Thank you so much for everything. You've been there for me through thick and thin and I'm so thankful for that. I will miss you so much I don't know what I would do without you.

Thank you for everything you have done for me. I will miss you loads when I leave and I don't think I would have done as well as I did if I didn't have you as a teacher.

Go to www.thankateacher.co.uk to send your favourite teacher a thank you message.

We will send them a personalised e-card for FREE and they may have the opportunity to be nominated for a Pearson National Teaching Award.

Please THANK A TEACHER today. **It's simple, it's free, and it will make their day.**
