Quotation of the week

"I don't know what your destiny will be, but one thing I do know: the only ones among you who will be really happy are those who have sought and found how to serve" - Albert Schweitzer.

Servant Leadership

This week's assembly theme was about leadership and participation. School helps to develop leadership skills in students and I spoke to the students about the idea of servant leadership and the example of leadership that Jesus modelled for the world in his earthly ministry.

It is interesting that many business leaders speak of servant leadership too, whether they are Christians or not. Many businesses seek to operate in an ethical manner and in a way that is not simply profit-driven. The idea that we are here to try to do some good for our fellow human beings is a very important part of our school ethos.

Leadership skills can be developed in many ways and especially through participation in extracurricular activities including team sports and programmes such as the Duke of Edinburgh Award scheme. As extracurricular activities begin to take place again please encourage your son/daughter to take advantage of them.

The school greenhouse and raised beds

We have a number of crops growing in our greenhouse and raised beds as I have reported previously. This week we were able to plant out a range of vegetables from the greenhouse to the raised beds. We were also able to try some of the lettuce that we have been growing very successfully under glass.

School trips

School trips and activities outside school but within the UK are now permitted again and some of our colleagues are already planning activities which will enable our students to gain new experiences including visiting art galleries and taking part in sport, the Duke of Edinburgh programme and other out of school activities. These are really important in developing the soft skills that help students to develop such things as leadership and communication skills.

Parents' surgery

Parents' surgery is currently a remote service. If you would like to speak to me please contact the office on either site and they will let me know that you would like me to call you on Thursday afternoon between 4pm and 5pm. You can also email me directly at anytime on a.stone@holyfamily.waltham.sch.uk

Please continue to remember us in your prayers.

With best wishes,

Dr Stone
Headteacher

HEADTEACHER'S

COMMENDATIONS

This week we have a number of commendations.

First from Ms Crabtree for
Valentina Florez Gutierrez

who has improved immensely in English over the last
two years.

Second from Ms Segel our School Business Director for
Carney-Shay Houston

who she describes as always extremely polite and kind.

Third, from Mr Graefe and Ms Nordon for
Milda Liepaite

for realising a younger student was in distress and
taking the time to help them calm down.

Lastly this week from Ms Scullion for
Mariya Katerina Leybak

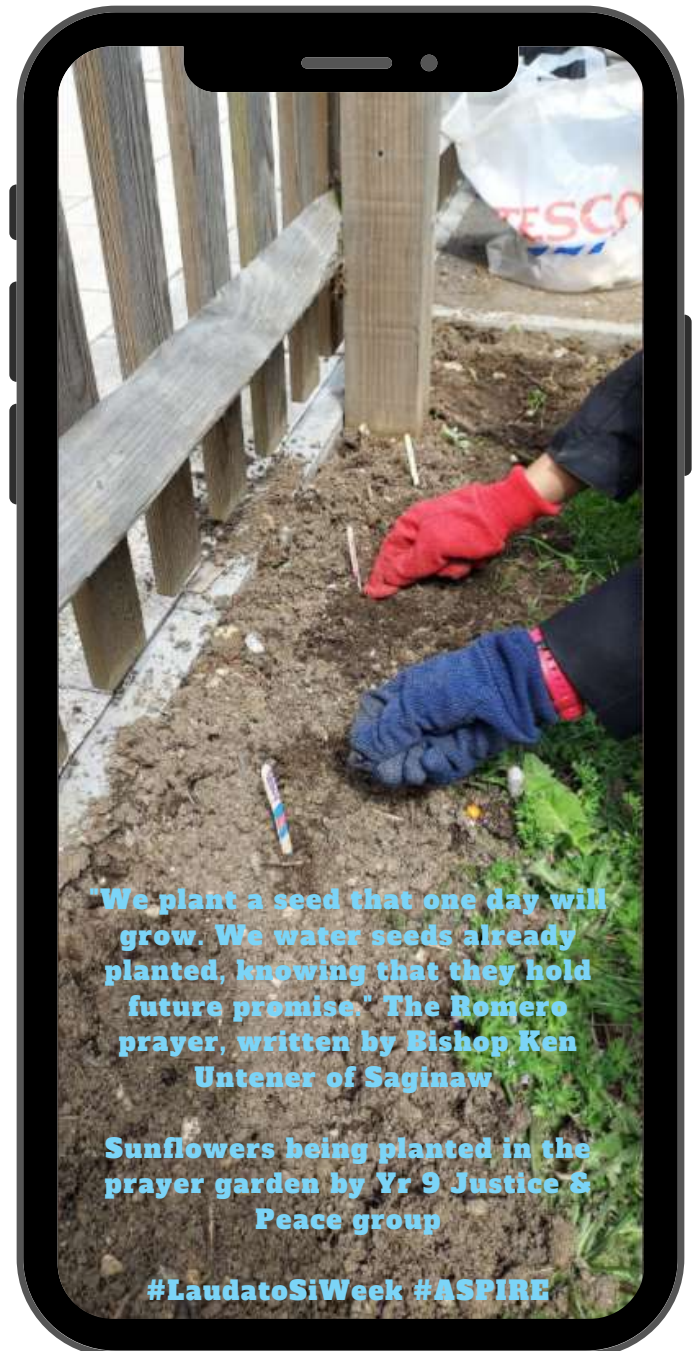

for leading the Holy Family way and making our new
student feel very welcome.

Well done to all our students this week!

Chaplaincy Corner

A very belated congratulations to Vira Vitiv, year 11, who was our recipient of the 2020 Brentwood Catholic Schools Citizenship Awards. Sadly the ceremony at Brentwood Cathedral was cancelled.

Vira was rewarded for her role as a Liturgy Leader in Holy Family, her willingness to assist with Mass, and her thoughtful prayers and reflections during the difficult times of early 2020.

Congratulations Vira!

23 May is Pentecost Sunday. Coming 50 days after Easter and ten days after the Ascension of Our Lord, Pentecost marks the descent of the Holy Spirit on the apostles. For that reason, it is often called the “birthday of the Church”.

The 12 apostles were gathered together in a house when a terrific wind came from heaven and filled the place. They saw tongues that looked like fire, that separated and came down on each of them.

Immediately the apostles were filled with the Holy Spirit, who caused them to speak in tongues. The crowds of visitors were astonished because every pilgrim heard the apostles speaking to him or her in their own foreign language.

Throughout the Bible, we see the Holy Spirit pouring his power into followers of God. When we think of such figures as Joseph, Moses, David, Peter, and Paul, we may feel we have nothing in common with them, but the truth is that the Holy Spirit helped each of them change, and stands ready to help us change from the person we are today to the person we want to be, ever closer to the character of Christ.

***Come, Holy Spirit, fill the hearts of your faithful
and enkindle in them the fire of your love.
Send forth your Spirit and they shall be created.
And you shall renew the face of the earth.
O God, who by the light of the Holy Spirit,
did instruct the hearts of the faithful,
grant us in the same Spirit to be truly wise
and ever to rejoice in His consolation.
Through Christ our Lord.
Amen.***

Stay safe, Mrs Grierson, Chaplain

LAUDATO SI' WEEK 2021

To celebrate Laudato Si' Week, the Year 9 Justice & Peace group planted sunflower seeds. They will eventually be transplanted into the prayer garden.

Laudato Si': On Care for our Common Home, is a papal encyclical letter written by Pope Francis in 2015. The encyclical has helped us understand that "everything is connected", especially in the context of today's ecological crisis and climate emergency.

Planting sunflowers will brighten the prayer garden during the summer and later, in the autumn, will provide seeds for the birds

Praying for peace in the Holy Land

On **Wednesday 26th May**
we will be holding an hour of
prayer for peace in the Holy Land.

It will be in the **Corpus Christi Chapel**
On the **Wiseman Site**
From **3.30pm to 4.30pm**

All Pupils and staff are welcome to join us.

You can stay for a few minutes or the whole hour

Let us pray,

"Let there be light. And there was light."

Lord, let your light bring peace and hope to our Palestinian and Israeli
friends, and to all the world.

In your name may all who live in your holy land receive the healing powers of our
prayers.

May they be granted safety, love, security, and hope.

May they enjoy the fruits of freedom and equality that all human beings deserve.

We remember that the Holy Land is a shared space and pray to see the day when Jews,
Muslims, Christians and all religions will live there together in peace.

We pray that together they can rehabilitate their history and rebuild what could be
the best place on Earth.

A place of many cultures and true equality.

The place you walked amongst us.

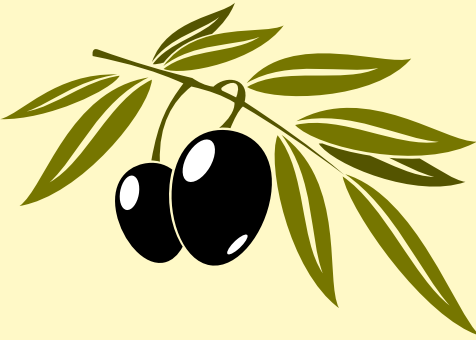

Amen.

TIPS FOR

WELLBEING

This week Ms Nordon tells us:

Meraki (say may-rah-kee)

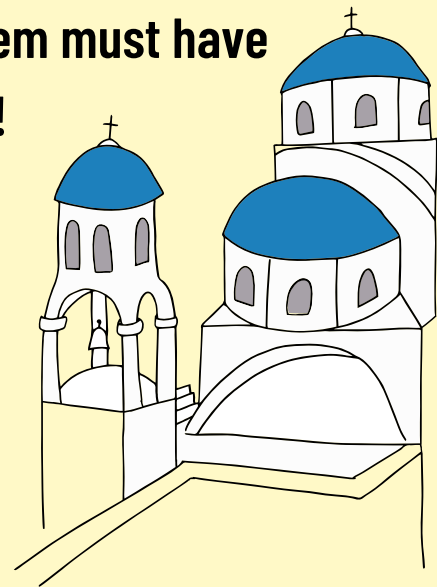

In Greece this is the idea of doing something you love with care, precision, attention and passion.

This can be work, a hobby, cooking or making proper time for loved ones.

The main thing is you focus on the ONE task alone-no distractions, just get absorbed into what you are doing and do it properly.

Fun fact: Whoever wrote the Greek national anthem must have used their 'Meraki': it has 158 verses!!

What's your Meraki?

WELLBEING

Following on from Mental Health Awareness week's theme of Nature, we'd like to share with you the wonderful progress of the seedlings in our greenhouse, the new raised bed planters and a family of visitors we had early one morning.

STUDY TIPS

USE FLOW CHARTS AND DIAGRAMS

VISUAL AIDS CAN BE REALLY HELPFUL
WHEN REVISING. AT THE START OF A
TOPIC, CHALLENGE YOURSELF TO WRITE
DOWN EVERYTHING YOU ALREADY KNOW
ABOUT A TOPIC - AND THEN HIGHLIGHT
WHERE THE GAPS LIE. CLOSER TO THE
EXAM, CONDENSE YOUR REVISION NOTES
INTO ONE-PAGE DIAGRAMS. GETTING
YOUR IDEAS DOWN IN THIS BRIEF
FORMAT CAN THEN HELP YOU TO
QUICKLY RECALL EVERYTHING YOU NEED
TO KNOW DURING THE EXAM.

VIRTUAL WORK EXPERIENCE

THERE IS STILL TIME TO COMPLETE THE
VIRTUAL WORK EXPERIENCE. THIS IS
SUCH A VALUABLE EXPERIENCE IN THIS
"NEW NORMAL" WORLD WE HAVE TO
ADAPT TO A NEW WAY OF LIFE. THIS
FORM OF WORK EXPERIENCE IS A
GREAT WAY TO DO THAT. YOU SHOULD
ALL HAVE THE INFORMATION ON THE
VIRTUAL WORK EXPERIENCE BUT
PLEASE EMAIL MS FITZPATRICK IF YOU
WOULD LIKE MORE INFORMATION.

Kangaroo

By Ciaran Stapleton Year 7

Kangaroo, Kangaroo bouncing high,
Bouncing across the fiery red sky.
Leaving prints in the crimson earth,
Traversing the land of time's birth.

Who would dare to challenge your might?
Who would have the courage to provoke a fight?
All can see your powerful physique,
Your muscular body is quite unique.

Kangaroo, Kangaroo, forever sublime.
Surviving since the dawn of time,
A piece of ancient myths, stories and rhyme
Living in the Australian dreamtime.

My Pet

By Lula Kahase year 7

I have a pet
He is fast and cute
Do anything annoying
And he will become a brute

I have a pet
He is hairy and fluffy
When I wash him
He becomes all puffy

I have a pet
He is precious and clever
This is the reason why
I named him Trevor

I have a pet
He is faithful and loyal
He always sticks by my side
And treats me like a royal.

Below you will see 4 Spanish letters we received this week for 9P. This is the third year we have engaged in a pen pal exchange with a school in Seville, I.E.S. Heliche. Their students write to us in English mainly, and we reply back in Spanish with a few lines in English for them to practise. It's very interesting to see their hand-writing and how neatly they write, as well as the kinds of activities they describe that they do.

Hello Joshua! My name is Nazareth and I am sixteen years old. My birthday is the 25th of September. I live in a town, in the drafte, next to Seville and it is very pretty. I live with my father, my mother, my brother and my sister. Have you got any brother or sister?

I have got blue eyes and I don't wear glasses. I have long brown hair. I'm small and thin. I am very funny. I like telling jokes and meeting people.

I go to Heliche high school. I'm in my last year when finish. I'm going to study to become a nurse. And you?

I like chatting, listening to music, playing video games, and hanging out with my friends at the weekends. My best friend is my sister, she is fifteen years old and she is nice, pretty, kind and gives me very good advice.

I love summer, and last summer, I went to the beach in Cadiz with my family. The beaches are beautiful and the food delicious.

!!! Espero que te gaste la carta, un saludo!!!

Hello Igor! My name is Hiron and I am fifteen years old. My birthday is 10th of September. I live in a town, Olivares, next to Seville and it is extremely. We are five in my family: my father, my mother, my brother and my twin sister. I do not have pets. I live in a house with three floors and it is very comfortable. I'm very outgoing and honest.

I have got brown eyes and I don't have to wear glasses. I have long brown hair. I'm small and thin.

I like chatting, listening to music, playing video games, and hanging out with my friends at the weekends. When I finish compulsory education, I'm going to study music as a profession.

I love summer, and last summer, I went to the beach in Cadiz with my family. We had a great time. This summer, we are going to Chifón, because the beaches are beautiful, the people are very friendly and the food is very good.

I'm looking forward to hearing from you

Best Regards

Hiron

Hi, William!

Julia Torres De La Carrera
4º ESO F
To William → Group 9p

My name is Julia and I'm 16 years old. I live in Seville, Olivares. I come to the IES Heliche highschool and my favourite subject is history. I am a musician since I was 9 years old. I always have to practise in my house, theory activities to understand what I'm doing and instrument classes. In my free time I usually hang out with my friend to take a break, we go for a walk and talk about our things. At the moment I'm studying a lot to get a good job at the future. I don't know what to do yet but I think I'm going to do something about languages, and get money to travel!

Thank you so much for your attention, I'm looking forward to hearing from you.

Best Regards, Julia.

Hi Kevin!

Carmen Pérez Rodríguez
4°F
Kevin Group 9P

My name is Carmen, I live in Olivares (Seville). My favorite subjects are math and physical education.

My daily routine is to study in the mornings and in the afternoons to go out to do sports. My hobby is horseback riding, since I love animals.

I study at the IES Heliche institute in Olivares. It is one of the best educational centers in Andalusia.

I have a sister younger than me at 13 years old, I forgot to tell you before that I am 17 years old.

You love animals?

What is your favourite food?

How old are you?

Do you have brothers?

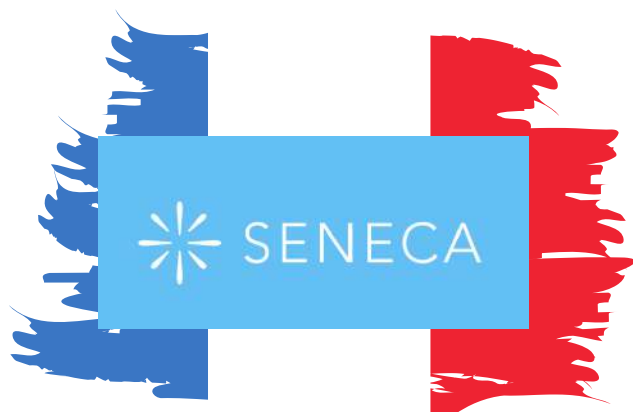

a greeting.

Good bye Kevin, nice to write to you.

WHY TRY VIRTUAL WORK EXPERIENCE?

ACCESS

VWEX'ing opens the doors of opportunity to young people right across the country and allows employers to grow their talent pipeline and make a difference to those who really need it.

IMPACT

VWEX'ing allows for greater impact, as "seats" are not required, opening up the chance for more young people to access great opportunities wherever they are.

FREE

As a charity, we are focused on ensuring educators and young people have great experiences and free access to our services to ensure a level playing field and meaningful outcomes.

SUPPORTED

We recognise that you will have many questions. This is why we will work closely with you to ensure you're supported every step of the way under a structured and impactful programme.

CREST helps young people become independent and reflective learners through enquiry-based project work.

The challenge Students work independently or in groups to plan and run a project addressing a real-world STEM problem. Students complete a 10-hour project which is a perfect introduction to STEM project work. Over the course of the project, teams of students design their own investigation, record their findings, and reflect on their learnings. The process gives students a taste of what it is like to be scientist or engineer in the real-world.

Student-led CREST is a nationally recognised scheme for student-led project work in the STEM subjects (science, technology, engineering and maths).

Flexible CREST gives young people aged 5–19 the chance to choose their own subject and methodology when completing their hands-on investigation.

Trusted It has been running since 1986 and sees tens of thousands of young people taking part each year.

Real world results Students who participate in CREST Silver achieve higher grades and are more likely to study STEM subjects at AS level.

The outcome The project process develops enquiry, problem-solving and communication skills. CREST Bronze can be used by students to enhance their personal CV and University Application. After completing the project, each student receives a personalised certificate
