Covid update

Covid is still an issue in our local community, Please continue to carry out twice weekly lateral flow tests. If your son/daughter has symptoms of a cough/cold then they **MUST** stay off school and take a PCR test - if this is negative then they can return to school. Please follow this procedure and keep carrying out the testing.

Art and Photography Exhibition

The Art and Photography Exhibition this week was a fantastic success and a wonderful opportunity to see the creativity and talent of many of our young people. We even had some interesting exhibits from some of our talented staff too!. Thanks to our colleagues in the Art and Photography department for supporting our students so well and nurturing their talent.

Inset Days

Please note there are two inset days coming up in July. The first of these is next **Friday 2nd July** and then there is also the following **Thursday the 8th July**.

Sports Days

We have our first Sports Day this Friday - hopefully under good weather and fair skies. It's great to be able to hold events such as this again as we know how much the students enjoy them.

Parents' surgery

Parents' surgery is currently a remote service. If you would like to speak to me please contact the office on either site and they will let me know that you would like me to call you on Thursday afternoon between 4pm and 5pm. You can also email me directly at anytime on a.stone@holyfamily.waltham.sch.uk

Please continue to remember us in your prayers.

Chaplaincy Corner

Thursday 24th June is the Nativity of St John the Baptist, a prophet who foretold the coming of the Messiah in the person of Jesus, whom he later baptised.

John the Baptist was the son of Zechariah, a priest, and his wife Elizabeth. Both were old and unable to have children. The Archangel Gabriel foretold John's birth to Zechariah while he was in the temple of Jerusalem. He announced to him that he and his wife would be blessed and give birth to a son, whom they should name John.

John the Baptist always spoke the truth about the Kingdom of God and how people should live in order to inherit it. He never shied away from confronting someone who went against the Will of God.

The Gospel of John describes John the Baptist as "A man named John was sent from God. He came for testimony, to testify to the light, so that all might believe through him. He was not the light, but came to testify to the light".

John the Baptist is the only saint whose birthday is observed by the Church. Just three birthdays are celebrated by the Church each year: Jesus on 25th December and Mary on 8th September.

Sports Day is upon us!

God, let me play well but fairly.

Let competition make me strong but never hostile.

Forbid me to rejoice in the adversity of others.

See me not when I am cheered,

but when I bend to help my opponent up.

If I know victory, allow me to be happy;

if I am denied, keep me from envy.

Remind me that sports are just games.

Help me to learn something that matters once the game is over.

And if through athletics I set an example, let it be a good one.

Amen

2021 has been proclaimed the “Year of St Joseph” and we have a display of Year 7 and 8 work in the foyer of the Walthamstow site.

Well done to Michael, Ryan Elden and Fiyinfoluwa in 7I, Gianina in 7P and Julia in 8A whose work has been selected to be forwarded to the Diocese of Brentwood for possible inclusion in a book to be published to celebrate the Year of St Joseph.

Belated congratulations to Fr Kevin Conway who celebrated his **10th anniversary of Priestly Ordination** on 18th June.

We pray that the example of the many years of your faithful priesthood will be a source of inspiration for all priests, and awaken in young people their own call to service in the church.

Congratulations!

And finally,

Stay safe, Mrs Grierson, Chaplain

TIPS FOR

WELLBEING

This week Mrs Grierson tells us:

Make a 'Grateful Jar'

Each day, you write down something that you are grateful for that day and pop it in the jar.

Then, when perhaps you are feeling a little down you can look at the contents of your jar to see all the wonderful things you have in your life.

Music

It can be anything from something you have,
a feeling you felt,
something that happened,
something that made you smile,
a person in your life,
anything that you felt grateful for that day.

STUDY TIP

DON'T JUST REREAD BOOKS AND NOTES

IN ONE 2009 STUDY, SOME COLLEGE STUDENTS READ A TEXT TWICE. OTHERS READ A TEXT JUST ONCE. BOTH GROUPS TOOK A TEST RIGHT AFTER THE READING. TEST RESULTS DIFFERED LITTLE BETWEEN THESE GROUPS.

TOO OFTEN, WHEN STUDENTS REREAD MATERIAL. REREADING IS LIKE LOOKING AT THE ANSWER TO A PUZZLE, RATHER THAN DOING IT YOURSELF. IT LOOKS LIKE IT MAKES SENSE. BUT UNTIL YOU TRY IT YOURSELF, YOU DON'T REALLY KNOW IF YOU UNDERSTAND IT.

IN ONE 2010 STUDY COMPARED TEST RESULTS OF STUDENTS WHO REREAD MATERIAL TO TWO OTHER GROUPS. ONE GROUP WROTE QUESTIONS ABOUT THE MATERIAL. THE OTHER GROUP ANSWERED QUESTIONS FROM SOMEONE ELSE. THOSE WHO ANSWERED THE QUESTIONS DID BEST. THOSE WHO JUST REREAD THE MATERIAL DID WORST.

MENTAL HEALTH AND YOUR EXAMS

I KNOW YOU ALL HAVE A LOT ON OVER THE NEXT FEW WEEKS SO IF YOU WOULD LIKE A QUIET PLACE TO COME AND STUDY OR TALK ABOUT ANY CONCERNS YOU HAVE REGARDING EXAMS THEN YOU WILL BE WELCOME TO COME AND SEE MS FITZPATRICK EVERY WEDNESDAY LUNCH TIME IN U40.

MENTAL HEALTH IS SO IMPORTANT SO IT'S GOOD TO TAKE UP OPPORTUNITIES FOR TIME OUT WHEN THEY ARE OFFERED. I HAVE BEEN THROUGH THIS ALL BEFORE SO I CAN OFFER A LISTENING EAR AND WE CAN WORK THROUGH ANY PROBLEMS YOU HAVE REGARDING STUDYING OR ORGANIZATION. OR YOU MAY JUST WANT A QUIET PLACE TO SIT AND RELAX/STUDY.

MENTAL HEALTH IS SO IMPORTANT SO ITS GOOD TO TAKE UP OPPORTUNITIES FOR TIME OUT WHEN THEY ARE OFFERED. THE LINKS BELOW MAY OFFER SOME SUPPORT ALSO.

Rainbow By Mrs Lloyd

Red, the sacred heart. There is life and power in the blood

Orange, trees within the grove are in bloom. Floral fragrances heavy, fruity and sweet.

Yellow, golden sunset. The close of the day is ushered in, some things are always slightly open.

Green, grass. A carpet of varying shade frames the landscape.

Blue, Ocean ceaselessly active. Contained within unseen borders.

Indigo, silk road. Dyed cotton fabrics pegged on a line caressed by the wind.

Violet, irises. A rainbow growing from the fertile earth.

Well done to the following students who
have put in the most hours on
Seneca and Active Learn as well as
producing excellent work!

LETTER FROM MARCUS RASHFORD MBE

Dear Parent/Guardian,

We hope you are well and that your child/ren is enjoying the summer term and the warm weather!

Ahead of the summer holidays, we wanted to let you know about the brilliant new Holiday Activities and Food programme which is operating in your local area. We are helping to launch a new film to promote the programme so parents know that their children can get involved in a local holiday club when the school term ends this July.

We know that the holidays can be a really difficult time for families who are struggling to make ends meet or who are juggling work and childcare. The holidays should be a time for every child to enjoy themselves rather than worrying about having enough to eat or how they can spend their free time.

That's why we're really excited about the summer holiday programmes that are being funded by the Government and will take place across the whole of England. This was recommended by the National Food Strategy when it was published last year. A petition supporting the recommendation was signed by over 1 million people.

Places on the holiday schemes are available for free to children who receive free school meals, but children and young people of all ages and backgrounds are welcome to attend. Each local programme will provide delicious, healthy meals, allow kids to get active, help them learn new things, make friends and have fun. And that is what the holidays are all about!

You can find out more by watching this new film that we've made: <https://youtu.be/KDgm8KpXAXE>

The holiday programmes are open to children of any age and are free for children eligible for free school meals. They will:

- Provide a safe and supportive environment for children
- Be led by experienced local coordinators teaming up with a range of different partners in their communities
- Serve children tasty and nutritious food and opportunities to learn about food and nutrition
- Organise lots of activities so every child can find something they enjoy - from Kung Fu and cooking to bushcraft.
- Keep children and young people happy, healthy and active
- Offer a flexible childcare option for busy parents

You can find out exactly what's available in your local area either by visiting your council's website or by searching online for HAF (that stands for Holiday Activity and Food).

We hope you and your family have a great summer with the Holiday Activities and Food programme!

Yours sincerely,

Marcus Rashford MBE

Walthamstow International Film Festival 2021

The Walthamstow International Film Festival announces its 2020-2021 programme of short films to be screened on **Saturday 10th July 2020** from **11.00am to 6pm** at The Truman Social Club (1 Priestley Way, London E17 6AL).

With over 70 films from Walthamstow and from international entrants, the festival returns after the postponement of its 2020 event to a new home in the recently opened Truman Social Club at the heart of the Blackhorse Road creative hub.

This year, the programme of Animation, Documentary, Drama, Experimental and U18 short films of 5 minutes and under show a huge range in the filmmakers and in the way that creatives have risen to the challenge of producing festival standard work under lockdown restrictions; a theme which is expressed through shooting choices (using smartphones or technology to hand) and in the content.

*"We're so impressed with the way that filmmakers have managed to produce outstanding work", says **Paul Fletcher**, Founder/Director of the entry level festival, which has been running since 2010. "We're also thrilled to be in our new screening home at Truman Social Club, where we are able to show festival regulars and new and emerging talent."*

There will be a break at 15.30 to show a feature length documentary by artist Nancy Willis. This will be followed by a Q&A chaired by Walthamstow literary legend, "Other Teresa".

Says **Liza Fletcher**, Co-founder and Director, "We may not be able to invite our international entrants from Iran, North America, Japan, South Africa and Australia this year, but our festival volunteers will ensure that we interview film fans, filmmakers and audience members on our **@e17filmfestival** account on Instagram and other social channels.

Enter now for your chance to win a programme place and tablet!

At InvestIN, we want to finish the school year on a high by taking a moment to reflect on what we have gained this year, rather than what we have lost.

To celebrate National Writing Day, we're calling on students aged 12-18 to enter our '*Writing to Reflect*' competition. We're looking for positive, thoughtful submissions detailing a skill or life lesson you have learnt outside the classroom and how you think it will benefit your future.

Shortlisted entries will be judged by a professional writer and the winner will receive an Amazon Fire Tablet and a place on one of our 'Live Online' weekend programmes! For every entry, we'll make a donation to UNICEF, whose life-changing work helps children across the world access education.

The deadline for entries is Friday 6th August and must be no more than 250 words. Enter now for your chance to win!
