## Meet our new Senior Prefect Team

#### HEADTEACHER'S MESSAGE

#### The Feast of the Ascension

My assembly this week was about the Feast of the Ascension commemorating when Jesus was taken up into heaven. I spoke about how Jesus is seated at the right hand of the Father to intercede for us, that He has not left us alone here on earth but is always present with us and how there is the promise that Christ will one day come again. This can all seem quite perplexing to us when we think about it but the key thing to remember is that Jesus is there for us on our journey through life.

#### **PE Kit**

I've written earlier this week to all parents/carers to say we have taken the decision that we will revert to what always used to happen in the school and that students come to school every day in full uniform and then bring their kit so they can change for PE lessons. There are a number of reasons for making this change, not least that we want things to be back to normal in the school. Unfortunately we have seen an increasing number of students arriving for their PE lessons in PE kit that is not the proper Holy Family PE kit. The fact that they then attend their other lessons wearing this incorrect kit does not look good and causes unnecessary conflict. We are aware that changing in school will be a new experience for many students and will make sure that they learn these new routines effectively.

We wear smart uniform because it is about pride in the school, looking professional and because it means that students are clear about what they need to wear and that makes life easier for everyone. As you know, we do not permit jewelry - this includes bracelets and necklaces/pendants. There are a number of reasons for this, including the fact that we are not responsible for items going missing. We do not permit phones in the school. I know not every parent agrees with this but I can assure you that there would be more problems if we changed this policy.

Students then from Monday 6th June MUST be wearing their correct full uniform. No jewelry, no hooded tops, no hats, headgear or other items. We have no patience for stories of bad hair 'oh I need to wear a hat because I've got bad hair today'. It's not a reason to deviate from the uniform code. We are here to prepare students for life beyond the school too and making sure that they understand what will be the expectations of their employers is most important.

Students not wearing the correct uniform will be sent home to change next week. Students not bringing the correct PE kit will face sanctions for this. I'm determined to ensure that the standards we set are high and I thank you for your co-operation.

#### HEADTEACHER'S MESSAGE

#### Social media

There is something else with which I need your support and that is social media. It is the bane of our lives and the source of many issues in school. We need your help to monitor what your son/daughter posts on social media. There is too much negative material, or material that is designed to upset or hurt another young person. Clearly this is totally inappropriate and then issues come into school. *But they are not really school issues*. I put that into italics because it is our job to educate your son/daughter, to teach them well and to make sure that they learn. Along the way we try to give them the right values, supporting you in your role as parents. Too much of our time is spent dealing with conflicts between students, much of which originates on social media. The old saying 'if you have nothing good to say, say nothing' applies particularly well in this regard. If you don't know what your son/daughter is up to on social media then you need to try to make sure that you do know. We know from experience that some parents are shocked and horrified at what their son/daughter is posting.

#### Work experience for Yr 10

Students are booking their placements and they are looking forward to the work experience fortnight. If you have any questions or difficulties please let Mr Fidegnon know as he leads on all our careers work in school.

#### Year 13 Leavers' Mass

Friday afternoon saw us at Mass at OLSG Parish Church for our Yr 13 Leavers' Mass. Our thanks to Fr Niall for celebrating Mass for us. It was good to see how Yr 13 have grown and developed, physically, intellectually, emotionally and, I hope, spiritually. It was my last Yr 13 Leavers' Mass too - my 15th in fact and so was both a happy and a sad occasion for me as well. Everyone enjoyed the BBQ afterwards and they are acquitting themselves well in their exams.

#### Parents' surgery

You can see me face to face in a socially distanced manner any week without an appointment on **Thursday afternoons between 4pm and 5pm.** If you prefer you can call the school office and arrange for me to call you instead.

#### **Return to school**

We come back to school on **Monday 6th June (week 1)** at the usual time. And remember, full uniform, and everyone must bring their PE kit to change into in school on the days that they have PE.

Have a good week off.

Please continue to remember us in your prayers.

"If you are able to, finding a sport that's right for you can be a great way to get fresh air, keep fit or meet new people.

Playing sport can also help you sleep better, take your mind off any stress or anxiety, and release endorphins to improve your mood.

You might find the idea a bit scary, and that's perfectly okay – it's normal not to be very 'good' at first!

The important thing is not to put too much pressure on yourself."

Thomas M., Zackary R., Nathan C. and Patrick McC.. The boys had to come up with a fundraising idea to raise money for charity as part of their Confirmation program at St Patrick's. Nathan came up with the great idea of a sponsored paddle and today (accompanied by 2 friends) they took on the physically challenging 17.5km Limehouse Loop! They completed it in around 6 hours and have

raised in excess of £500.

#### The Queen's Platinum Jubilee 2022

The Platinum Jubilee of Her Majesty Queen Elizabeth II is being celebrated with a 4-day UK bank holiday weekend from Thursday 2 - Sunday 5 June and throughout the Commonwealth, to mark the 70th anniversary of her accession to the throne on 6 February 1952

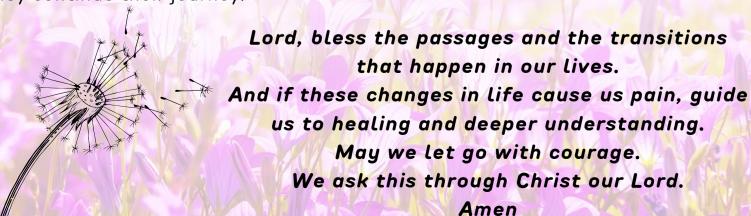

The following prayer has been written for the Bishops' Conference of England and Wales and will be said at all Sunday Masses on 4-5 June.

Almighty God, we pray,
that your servant Elizabeth, our Queen,
who, by your providence has received the governance of this realm,
may continue to grow in every virtue,
that, imbued with your heavenly grace,
she may be preserved from all that is harmful and evil
and, being blessed with your favour
may, with the royal family,
come at last into your presence,
through Christ who is the way, the truth and the life
and who lives and reigns with you
in the unity of the Holy Spirit,
one God, for ever and ever.

Amen

#### Year 13 Leavers Mass

Our Year 13 will gather at Our Lady & St George for the last time this coming Friday. Although it's sad to see them leave school, it's always a lovely celebration of their time at Holy Family and an opportunity to wish them every success as they continue their journey.

#### **Chaplaincy Corner**

#### **Pentecost**

Ten days after the Ascension we have Pentecost (Sunday 5 June).

Pentecost occurs 50 days after the death and resurrection of Jesus, and ten days after his ascension into heaven. He made a promise to his disciples that he would not abandon them, and they were to carry on his work. He would continue to work through them and their successors but in a new way, through the Holy Spirit.

Pentecost is the celebration of the person of the Holy Spirit coming upon the disciples, Mary, and the first followers of Jesus. The Holy Spirit gave the disciples the other gifts and fruits necessary to go out and preach the Gospel to all nations.

words

Lord Jesus, you became man and came to live among us.

For love of us, you suffered and died for us.

Because you are God, you conquered death and rose on the third

day.

Today you return to your Father and our Father,
But you promised to remain with us till the end of time,
And to send us the Holy Spirit.
We rejoice and thank you, Lord Jesus.
Come Holy Spirit, purify and transform us,
Kindle within us the fire of your love.

Amen

We pray also for the students of Holy Family who will be receiving the Sacrament of Confirmation on the Feast of Pentecost.

Laudato Si Commitments - "Stop buying bottled water" - bottled water is no better than tap water - it just costs more and creates plastic waste.

# INCLUSION NEWS

#### National Epilepsy Awareness Week (23–29th of May)

#### What is epilepsy?

Epilepsy is a central nervous system (neurological) disorder that produces abnormal signals in the brain that result in seizures.

These electrical bursts in the brain that cause seizures can result in symptoms such as:

- Jerking and/or shaking (sometimes called a 'fit')
- · collapsing
- · becoming stiff
- · losing awareness and staring blankly into space
- strange sensations for example, rising feeling in tummy, change in taste/smell, tingling in arms and/or legs

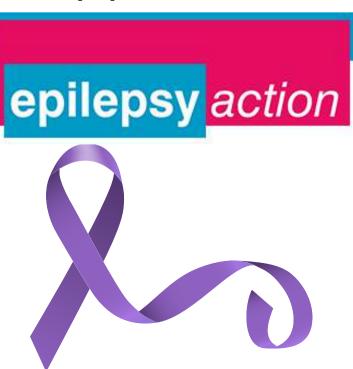

Epilepsy can start at any age, but usually start in childhood or over the age of 60.

#### According to **Epilepsy Action**:

Electrical activity is happening in our brain all the time, as networks of tiny brain cells send messages to each other. These messages control all our thoughts, movements, senses and body functions. A seizure happens when there is a sudden, intense burst of electrical activity in the brain, which causes the messages between cells to get mixed up. The result is an epileptic seizure.

#### What to do when someone has a seizure?

Being young, being old,
The start of a journey, and behold,
The end of an era, yet the story is untold.
From baby, toddler, grown.
We grow up so fast, yet unprepared for this unruly world.
Unprepared, I say. Yes. Indeed unprepared.

Thrown out into the open. We now awoken.

Awake to the new sounds, smells, sights.

It feels the same, yet its presence is intimidating.

It's all so new however, it's always been there.

If I treated you so right, why did we argue by night
If you lifted me up, how could you let me down
If I gave you joy, why give me suffering
If I gave you care, why were you so unfair
I gave you my heart and you made it break
Now I think this was all a mistake

Woman, woman
What is the meaning of woman?
What does it mean?
Does it mean being a mother, a daughter, a sister, a girl, or feminist?
What makes a woman a woman?
Is it the way their body are made?
Is it the tone of their voices?
Is it the way they act?
None of this makes you a woman!

The kingdom of gold
May you flourish with life
Let live the good people
Free them of their strife

The sacrifice of a god
The banishment of all suffering
Let live the dark knight

Calling out to the night
A ritual concurs

Nobody wants Tulip in their group.

She skives off school, cheeks the teachers and makes herself unpopular with her classmates by telling awful lies.

None of this matters to Natalie who finds Tulip exciting. At first, she doesn't care that other people are upset and unnerved by Tulip's bizarre games, but as the games become increasingly sinister and dangerous, Natalie realises that Tulip is going too far, much too far, racing, in fact, to the novel's shocking ending

#### INTRODUCING THE HALO CODE

We are excited to announce that Holy Family Catholic School has adopted The Halo Code, the UK's first Black hair code.

No Black staff or students should have to change their natural or protective hairstyle in order to thrive at our school.

We hope that the Halo Code will move us one step closer to a world free from discrimination, where all Black members of our community have their identities fully recognised and celebrated.

#### The Code:

"Our school champions the right of staff and students to embrace all Afro-hairstyles. We acknowledge that Afro-textured hair is an important part of our Black staff and students' racial, ethnic, cultural, and religious identities, and requires specific styling for hair health and maintenance.

We welcome Afro-textured hair worn in all styles including, but not limited to, afros, locs, twists, braids, cornrows, fades, hair straightened through the application of heat or chemicals, weaves, wigs, headscarves, and wraps.

At this school, we recognise and celebrate our staff and students' identities.

We are a community built on an ethos of equality and respect where hair texture and style have no bearing on anyone's ability to succeed."
