

## **COVID-19 Catch-up Premium / COVID Catchup Finding**

The school has welcomed this additional funding and used it to:

- Support Years 10 and 11 tutoring for over 110 students through the National Tutoring Programme
- The expansion of Accelerated Reader to support our focus on literacy skills
- The expansion of Maths Mastery to support our focus on numeracy skills
- Running of in-school intervention and study programmes to support students in all key stages

The school continues to monitor the impact of these initiatives through student confidence, wellbeing, attendance, punctuality and attainment rates.
