

**6th Form Preparation
work for
A Level Art &
Photography

Week 3 and 4**

Complete a transcript now it is time for you to create a transcript. Photographers you would have already done this when completing your artist study but, now it is time for you to develop your own idea. Go out and shoot and take as many pictures as possible on your chosen focus of 'Isolation'

Artists create your own transcript from your chosen artist by using primary sources. Think about how your choice of style/subject matter relates to the theme isolation

Time 60 – 90 minutes

Complete transcript two and if needed do further research on your topic or look back at your mind map and choose another focus stemming from isolation to explore

Time 60 – 90 minutes

Complete a final response to this project this could be one Art piece or a series.

Photographers this could also be one image or a series. All work must be presented in your art book.
